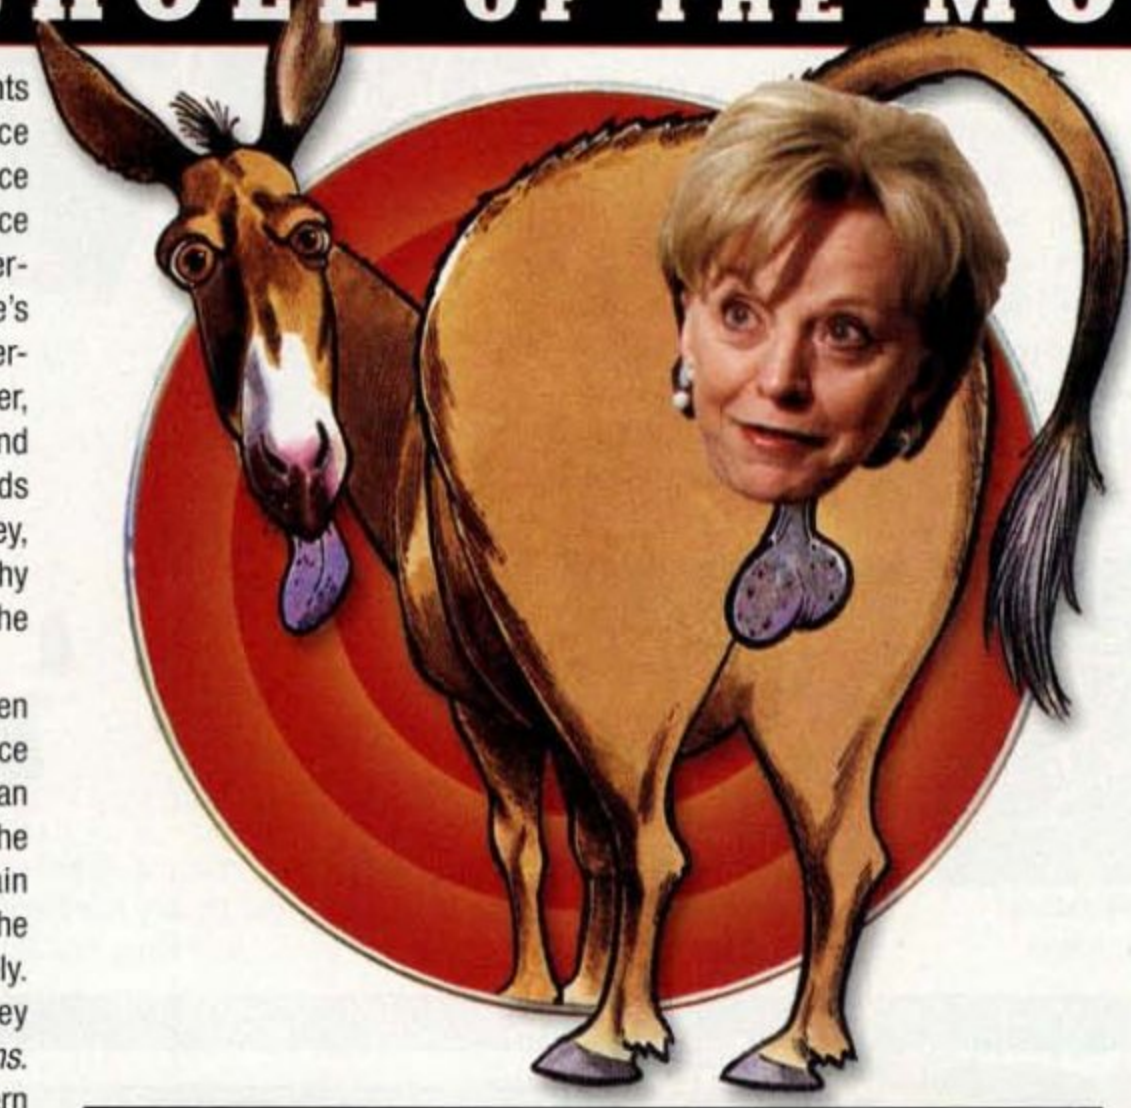
ASSHOLE OF THE MONTH



LYNNE CHENEY

The world's full of dumb cunts whose fat-mouth ignorance makes them forget their own place in life. As the wife of the U.S. Vice President, Lynne Cheney fills a ceremonial role as the White House's second snatch. From her number-two position, Lynne shits harder, crapping all over the principles and liberties that this country holds sacred. Consequently, Lynne Cheney, and not some other dim, mouthy bitch, is HUSTLER's Asshole of the Month for April 2002.

Cheney, pushing 60, has been smearing her wormy turds since 1986, when she became chairman of the National Endowment for the Humanities (NEH). Lynne's main accomplishment was to mold the agency in the image of a Klan rally. Early on, Grand Wizard Cheney defunded PBS's series *The Africans*. Deeming the show "an anti-Western diatribe" for suggesting that European colonization had disrupted African society, the future V.P. fucker trumpeted her fiscal censorship as "a defense of free speech."

Cheney quit the Endowment in 1993 when Bill Clinton took office. Flipping over as readily as any whore, she then campaigned to eliminate the agency she had built. Cheney aimed her rants at the 1994 National History Standards, a two-year project that she approved and ostensibly oversaw while heading the NEH. The standards' multicultural scope, honed by 6,000 educators in accordance with the project's guidelines, was smeared by Cheney as "politically correct." Along with this vague condemnation, she tossed in the outright falsehood that "not a single one of the 31 standards mentions the Constitution."

Lynne's shit speak pooped up again at a Senate Commerce Committee hearing on media violence in 2000. Most attendees concerned themselves with shielding children from marketing of explicit fare; Cheney, who insists "I am opposed to censorship," hissed, "there is a problem with the product they market, no matter how they market it."

Cheney singled out rapper Eminem, venting outrage over the perceived "hatred of women" in his lyrics. "We need to name names," Lynne dribbled. "We need to hold people up for public shaming."

Liberty-loving citizens, ten million of whom have bought Eminem's albums, might wonder which "we" Cheney speaks for. It's also worth questioning how Lynne squares her anti-misogyny posturing with her membership at Independent Women's Forum (IWF). Conceived as a cheering squad for sexual-harassment icon Clarence Thomas, the IWF best distinguished itself by campaigning to shelve the Violence Against Women Act, which sought to increase penalties for sex offenses against minors and strengthen domestic-violence laws.

Thumping for child-molester and wife-beater rights, Cheney suggests that government resources are better spent dictating Americans' listening habits than curtailing actual brutalities. How can she claim the moral authority to shame anyone?

The September 11 attacks have fueled Cheney's penchant for false moralism. In November, the American Council of Trustees and Alumni, a group cofounded by Lynne to encourage "the free exchange of ideas," displayed its loyalty to unfettered expression by publishing *Defending Civilization*, a report that might better be titled *Channeling McCarthy*.

The missive condemns American colleges as hotbeds of post-9/11 sedition where "many invoked tolerance and diversity as antidotes to evil." Among the treasonous utterances cataloged: "[We should] build bridges and relationships, not simply bombs and walls."

The academics' sentiments mirror the President's claim that "this is the fight of all who believe in progress and pluralism, tolerance and freedom," but Cheney echoed the report's brown-listing tone in a subsequent speech. Masking her harangue as patriotism, the blowhard blubbered, "If there is a failure here, it is a lack of commitment to our nation's history."

It is Cheney who displays a shaky grasp of our country's tenets, which hold free expression as an absolute right. She lambastes Americans for exercising the liberties that braver souls than her are currently risking their lives to defend, and drapes herself in red, white and blue while doing so. Old Hoary still can't keep her true color from leaking through: the stomach-churning brown of a loose-cannon Asshole.

FARTS IN THE WIND

William Bennett: Proving that war truly is hell, perennial fuckup Bennett, who flopped so spectacularly as Secretary of Education and drug czar, is creating the Committee on Terrorism in American Culture. Bennett plans to bolster national pride among U.S. youth via TV and radio ads and, reportedly, "a patriot SWAT team to shush anti-patriots." Can a mass defection of America's children to the Taliban be far behind? The desertion would be in keeping with this Asshole's 100% failure rate.

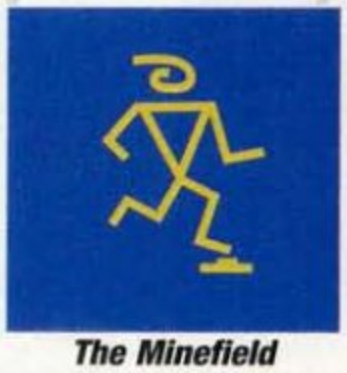
Marilyn Lemak: In 1999, Lemak, a former mother of three from Illinois, tucked her kids into bed, sang them a lullaby and smothered them with her bare hands, after which she slit her wrists with an X-acto knife. Currently on trial for the murders, Lemak is pleading insanity, hoping to avoid the death penalty and prevent the state from finishing the job she botched two years ago. Lemak is crazy like an Asshole.

Let the Maims Begin

The 2002 Terrorist Olympics

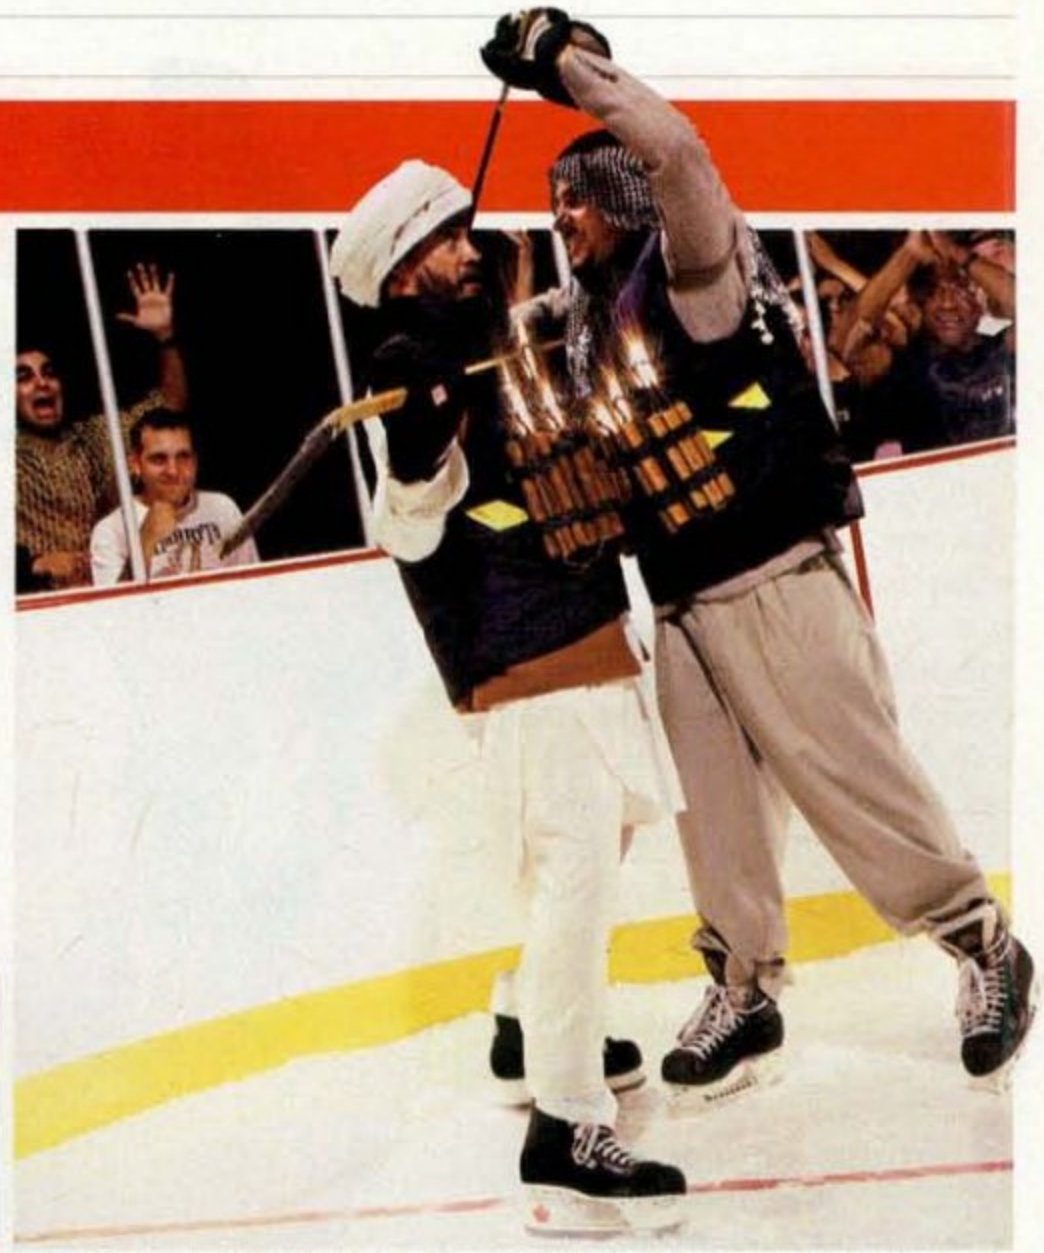
The attack on America has darkened the complexion of this year's Winter Olympics in Salt Lake City. HUSTLER would like to ease the country's fear that the Olympiad might take a turn for the terrifying. Our investigators have learned that global terrorist cells were sick of being overshadowed by al-Qaida in the media, and have set up a competition among themselves to determine who truly is the best at being the worst. The Terrorist Olympics are being held this year in a secret tunnel complex with bombing coordinates: north 3639984, east 06658954, elevation 1,299 feet. In lieu of medals, the ragtag teams sacrifice life and limbs for the coveted "Handful of Promises." Death is their reward, and the rest of us come out winners.

Bobsled Hijacking

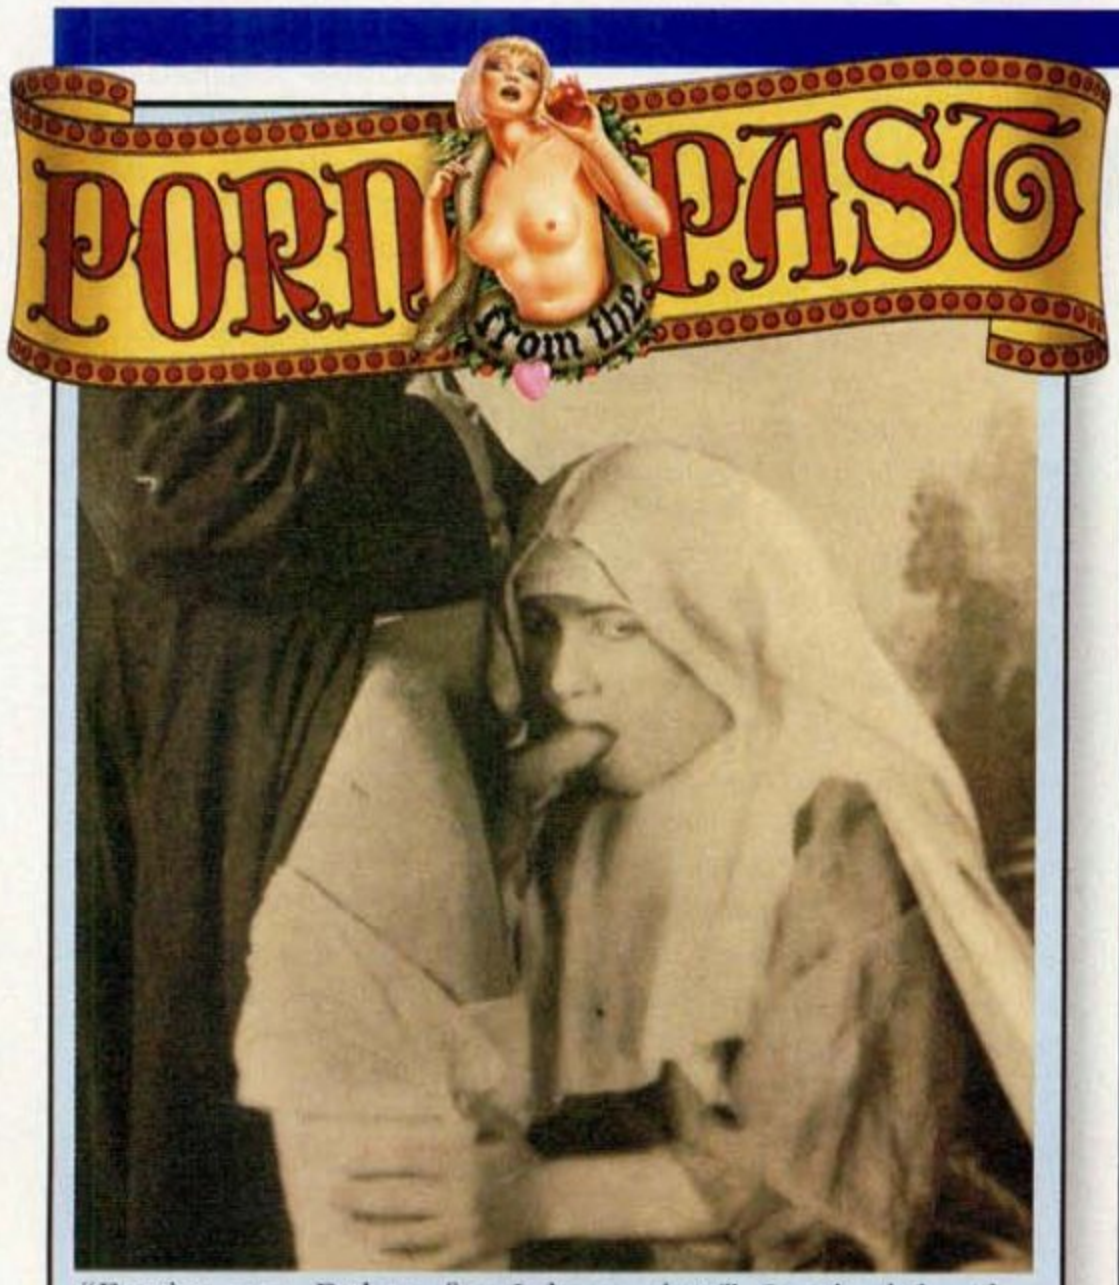


The Minefield Marathon

One-Legged Ass-Kicking



Another explosive confrontation between the PLO and al-Qaida teams! Terrorist Olympic hockey has three periods: Extreme Prejudice, First Blood and Sudden Death.



"Forgive me, Father, for I have *glorp!*" Inspired by the Reformation, some clergymen experimented with new forms of penance in an effort to put the *sac* back in sacrament.

N. U., of Clinton, Iowa, wins a Judas-worthy $150. Send your sins of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

HUSTLER's Celebrity Courage Awards

United We Sham

HUSTLER understands that Ground Zero rescue workers will continue to salute America's celebrities by sifting through rubble and digging up bodies. We would like to join the firemen, policemen and paramedics—who endured endless hours of famous folks interrupting their work for camera time—in honoring the unsung heroes of the terrible attack on America with the Celebrity Courage Awards.

This Is Selling Out Award

We're glad to know that after CNN spent weeks witnessing, reporting and milking the terrible events of September 11, the cable giant still accepted advertising revenue from groups selling painted coins "commemorating" the day.

Eat Foot, Eat Crow, Eat Shit Award

While the nation came together to help our countrymen on September 11, Jerry Falwell blamed gays, feminists, pagans and the ACLU for the terrorist attacks. Jerry's getting soft, seeing as how he neglected the Jews and the blacks—at least this time around.

Hypocritical Oaf Awards

Some of America's more industrious doctors courageously issued an overwhelmingly disproportionate number of prescriptions for Cipro compared to anthrax cases actually reported. In fact, they nearly caused a shortage of the antibiotic. Thank goodness the government is waging a war on drugs and will bring these money grubbers to justice. Right?

Anchor, Away! Award

NBC newsman Tom Brokaw was scheduled to retire in May 2002, but, as long as America is at war with terrorists, he will bravely remain at his post, reading the news from his studio and sometimes even outside. HUSTLER predicts that the anthrax letter sent to Brokaw will be traced back to Stone Phillips.

Mountainous Molehill Award

Despite the terrorists' attempt to postpone the broadcast of the 2001 Emmy Awards, Hollywood's finest bravely soldiered on as America stayed glued to its seat to see what's his name walk away with the award for best whatever.

Double Drivel Award

Michael Jordan, who has been called "the Michael Jordan of basketball," delayed the announcement of his monumental, earth-shattering return to the sport so as not to overshadow the events of September 11.

Render Unto Caesar Award

More horrifying than terrorism are the attempts some scumbags make to capitalize on it. A pop-up banner on the Christian Coalition Web site cautioned, "Urgent! Disruptions in the Washington, D.C., mail delivery have caused a severe cash flow problem at Christian Coalition of America." The ad then gave readers the chance to make a "credit card gift" by telephone or Internet. In the words of Jesus, "Fuck Pat Robertson."

Got Spilled Milk? Award

Robert Levin, MGM's president of marketing and distribution, blamed the Bruce Willis flick Bandits' low ticket sales on the FBI's vague terror warning as well as the anthrax scare. The studio insists moviegoers were so frightened, they stayed home.

The Bravest Act of Anyone, Ever Award

England shuddered at the prospect of its own national tragedy shortly after September 11 when it was announced that Prince Charles had canceled his daily engagements. According to a royal spokeswoman, "The Prince of Wales was sawing tree branches in the garden of Highgrove House. Some sawdust got into his left eye, which became irritated. His Royal Highness went to Cirencester Hospital, where he was treated by an eye specialist." However, in a benchmark of leadership for the post-September 11 world, it was announced that the Prince "has engagements tomorrow which are still on." Bravo.

A HUSTLER PARODY. NOT TO BE TAKEN SERIOUSLY. ILLUSTRATIONS BY RICK ALTERGOTT.

Utterly Tariff-ying

In 1789, Benjamin Franklin wrote, "In this world, the only things that are certain are death and taxes." In its ongoing quest for efficiency, the government found a way to combine these two inevitabilities with the estate tax, immediately assessed upon your death. Morality is legislated through "sin taxes," applied to items such as cigarettes, in an effort to discourage consumers from making their own decisions. Your taxes also pay the salaries of the elected officials who make laws regarding your personal freedoms. You follow the directive of the boss who signs your paycheck, but politicians support their own interests and those of any outside organizations they might be moonlighting for. HUSTLER writes off the bullshit and presents an ad that audits the truth, while wishing you a Happy Fiscal New Year.

PARODY. NO SUCH GOVERNMENT ENTITY EXISTS UNDER SUCH A NAME. CELEBRITY ENDORSEMENTS NOT TO BE TAKEN LITERALLY OR SERIOUSLY. WE DO NOT ADVOCATE REFUSING TO PAY TAXES.

All About the Buff

Nudism and exhibitionism are my hobbies. I love having sex outdoors. I enjoyed the photo-sets of Gauge and Lee (Gauge and Lee: Quim Before the Storm, November 2001 HUSTLER) and Sunny (Sunny: Luxury Cooze, Holiday 2001 HUSTLER) in natural settings. It would be great to fuck a babe on an abandoned dirt road, or on a rooftop with only the sky as your ceiling. Please continue shooting more outdoor action. —J. P.
Bethlehem, Pennsylvania

Relax, old-timer. HUSTLER loves lushly overgrown cunts too. If you can hold your load for a couple of months, our June covergirl sports a healthy muff that should more than satisfy.

Li'l Miss Arkansas

Your interview with Gauge was hilarious ("Mother Loves Bone," Erotic Entertainment, Holiday 2001 HUSTLER). Gauge is my latest infatuation. She's so freaking beautiful. Her mother is another story completely; that's a nasty little family she's bringing up there in Arkansas. Please put Gauge in more pictorials. A threesome featuring Gauge, Aria and an anonymous hired prick would be excellent. Keep up the good work. I'm a subscriber until I'm worm food. —C. J.

Hate to break it to you, C. J., but the word on the street is that Gauge is retiring from XXX. Hold on to those back issues; they may represent the last of her smut output.

Furburgers of Yore

Back in the day, a fella was able to open an issue of HUSTLER and see tons of hairy pussy. Now there's a boring glut of shaved twat in your magazine. Don't you realize how many bush lovers there are all over the world? You guys need to give readers what they want and show more pubes. —S. C.

Rear Guard

I'm writing on behalf of the general population incarcerated in Hastings Correctional Center concerning the February 2002 HUSTLER, particularly the layout Catharine and Henry Jockey for Each Other. You should fire the flaming, pillow-biting homo who thought up that pictorial. Who wants to see a skirt-wearing queer-boy get fucked in the fudge tunnel? Was Larry Flynt on vacation this month? We all agree that the centerfold was great. Your sluts always have long legs, golden skin and beautiful grins to match their pink, vertical smiles. With all the fucking, sucking and coming your layouts offer, we've all loved HUSTLER from day one. Why did you have to allow faggotry to come into the picture? Send the rodeo-rider who put this shit in America's Magazine back to San Francisco with all the other fudge-packing butt pirates. Let him find a job shrimping for a fag mag, just don't let him infect HUSTLER ever again. Sorry for ranting, but something had to be said on behalf of us straight men. —G. P.

Warning: Queer Content

I just received my February 2002 issue of HUSTLER in the mail and am disgusted by the spread with Catharine and Henry (Catharine and Henry Jockey for Each Other). Don't you people have to put a fucking warning on the cover when there are pictures of male penetration inside? I was sickened when I turned the page and saw Henry taking it up the ass. If I wanted to see this shit, I would subscribe to a gay magazine. I've always been a HUSTLER fan, and I have enjoyed looking through it with my boyfriend, but after this issue, we may never be able to look at HUSTLER the same again. —J. W.

(continued from page 14) either. When we received that fruit-filled shot from photographer Joanie Allum we took it as a dare, threw caution to the wind and ran it. HUSTLER never backs down from a challenge. If that means offending some sensibilities, so be it. At least we seem to have given our readers something to stand united against.

Thanks for publishing the story Revenge of the Florida Swingers (February 2002 HUSTLER). I had never heard of such a club. My husband and I need to find one in our area. Squirt Feelings

I'm a bit disturbed by Gus Mastrapa's article about female ejaculation ("Fake Moans or Real Juice? Laying Odds on the Female Orgasm," Erotic Entertainment, January 2002 HUSTLER). It's hard to believe that as we enter the 21st century the debate continues over whether women can have wet climaxes. Personally, I know four who gush and two who trickle. I've been fairly scientific regarding female ejaculation, requiring women to empty their bladders before demonstrating their orgasmic flow. Afterward I compare the fluid to the urine, noting differences in consistency, taste and smell. I feel sorry for any man who hasn't witnessed a spurting female orgasm. Moreover, I feel sorry for all the women who never have the chance to feel such pleasure because people continue to posit that female ejaculation doesn't exist. —H. M.
Jackson, Tennessee

You might want to ditch some of your scientific methodology and beef up on your reading comprehension. The story in question pertained to faking orgasms in XXX flicks, not the existence of real-world gushers.

HUSTLER Heals

The reason I'm writing is because I have been very sick with a disease called cachexia. I've lost 160 pounds and am pretty much bedridden. I don't get to do many of the things that I used to be able to do, and that fact gets me down sometimes. Because of my illness, I very rarely have the strength to make love to my girlfriend anymore. Once a month, she takes me to the store and we buy HUSTLER, BARELY LEGAL and TABOO. We lie in bed and read the magazines together. I really want to thank the HUSTLER staff for giving me a way to spend erotic time with my (continued on page 31)

Hang in there, A. L.; your personalized photo is on the way.

Douche University

I'm a bi-curious college chick who reads your fine magazine every month. In your Holiday 2001 issue, a Hot Letter titled "The Greatest Penetration" gave your readers some bad information. Please inform your audience that douching does not decrease the risk of pregnancy. In fact, the fluid can push the semen further toward its goal. That's not to mention the harm that douching does to the delicate balance of beneficial bacteria that live in the vagina. I have three genital piercings and don't even use antibacterial soap when washing down there. Just trying to set the record straight. Your publication is otherwise fantastic. —J. P.

Thanks for the schooling, J. P., but we're more curious about you, especially those three piercings. Why not flip to page 122, enter *Beaver Hunt* and teach us more?

Fucking Posers

I've been a loyal HUSTLER reader for 12 years, but the Holiday 2001 issue sucked. The models did too much posing and staring at the camera instead of closing their eyes and getting into the sex. That's the biggest reason why HUSTLER always blew away the competition; the centerfolds would close their eyes and masturbate instead of "striking a pose" as in other magazines. Go back to your roots, HUSTLER, and make us all happy again. —M. H.
via Internet

Some guys consider eye contact to be the best part of a blowjob (that and the lack of talking). Keep in mind that when a chick keeps her eyes open, it's harder for her to fake her orgasms. HUSTLER Honeys are honest when it comes to pleasure.

Dusty Smut

I recently acquired a book with about 20 pornographic pictures in it. There is no copyright information or date of publication inside. It's called Paradise Lost, and I think it's from the 1920s. Is this book eligible for "Porn From the Past"? Can you help me find out more about this book?

We never turn down historic smut, A. W., but if you're looking for insight on your raunch tome's origins, you might have better luck with the *Antiques Roadshow*.

Pornography Unbound

I just received the December 2001 HUSTLER. It's missing two staples! I get a lot of use out of my magazines; so poor binding can be a hassle. It's bad enough that the guards sometimes don't let my magazines come through. On that subject, what was so objectionable about the November issue that they wouldn't let me have it?
—J. S.
Douglas, Arizona

Staple blowouts are a pain in the ass, but missing a whole issue must really suck. The November 2001 HUSTLER was so packed with hard-core jollies, the guards probably snagged it for themselves.

Bukkake My Wife

I never dreamed I would be writing you with a real-life erotic experience, but fortunately I am.

My wife, Stephanie, is 33 and white (like me), 5-6 and 120 pounds. She isn't fat; her weight comes from muscle mass—although she isn't bulky by any means. With her blond hair and blue eyes, she looks like a Dallas Cowboy Cheerleader. My beloved has natural 36Ds, quarter-sized areolas and nipples like pencil erasers.

Once again, this is all true. After 14 years of marriage, we've never cheated, although Stephanie's prudishness about anything sexual beyond vaginal intercourse has tempted me. We get high together every night after the kids are in bed. Steph doesn't like to give head, but she'll blow me when she's stoned. Even then, she has a knack for guessing when I'm ready to shoot and jacks me off onto her tits instead of inhaling my spuzz. When you've been together this long, you want more.

One night we were trashed and I read a really good Hot Letter about a couple who seduced their young male neighbor to her. The guys took turns fucking the wife. I couldn't help going hard as I read. Stephanie noticed. "You're sick!" she said. "You want to be like that couple in the story."

I put it all on her. "You can't tell me it wouldn't turn you on."

"I might consider it," Stephanie shrugged, "if I can pick the guy, and he wears a condom. I'll keep my eyes open for a candidate."

I thought nothing would ever come of our conversation. For two months, I was right. But one Saturday night when the kids were with their grandparents, we walked down the street to my black neighbor's house for a bag of smoke.

Terrell is 24; he's a bricklayer by trade but sells enough weed to pay his $1,300 monthly rent. After we sampled his wares, Stephanie went to his kitchen for a soda. I followed soon after her, and asked if she wanted to gang up on Terrell.

"I *was* checking out that huge bulge in his pants," my wife admitted.

"Let me handle it," I smiled.

Steph went back and sat on the couch, a foot away from Terrell. He passed her the joint. I set myself down on the other side of Stephanie and began kissing her neck while rubbing the inside of her thigh.

I looked over at Terrell and said, "Why don't you help me undress her?" The dusky dealer-man responded as if we'd jolted him with 1,000 volts, but he quickly overcame his surprise. The bricklayer shucked Stephanie out of her shirt and bra while I lowered her jeans and panties. My beautiful wife was totally nude on this guy's couch, between the two of us.

I Frenched her, squeezing her perfect tits, while Terrell wasted no time shedding his clothes. Steph broke free from my kiss to gasp at our host. He had a boner from a porno movie. It was enormous.

"Ten-and-a-half inches," he beamed.

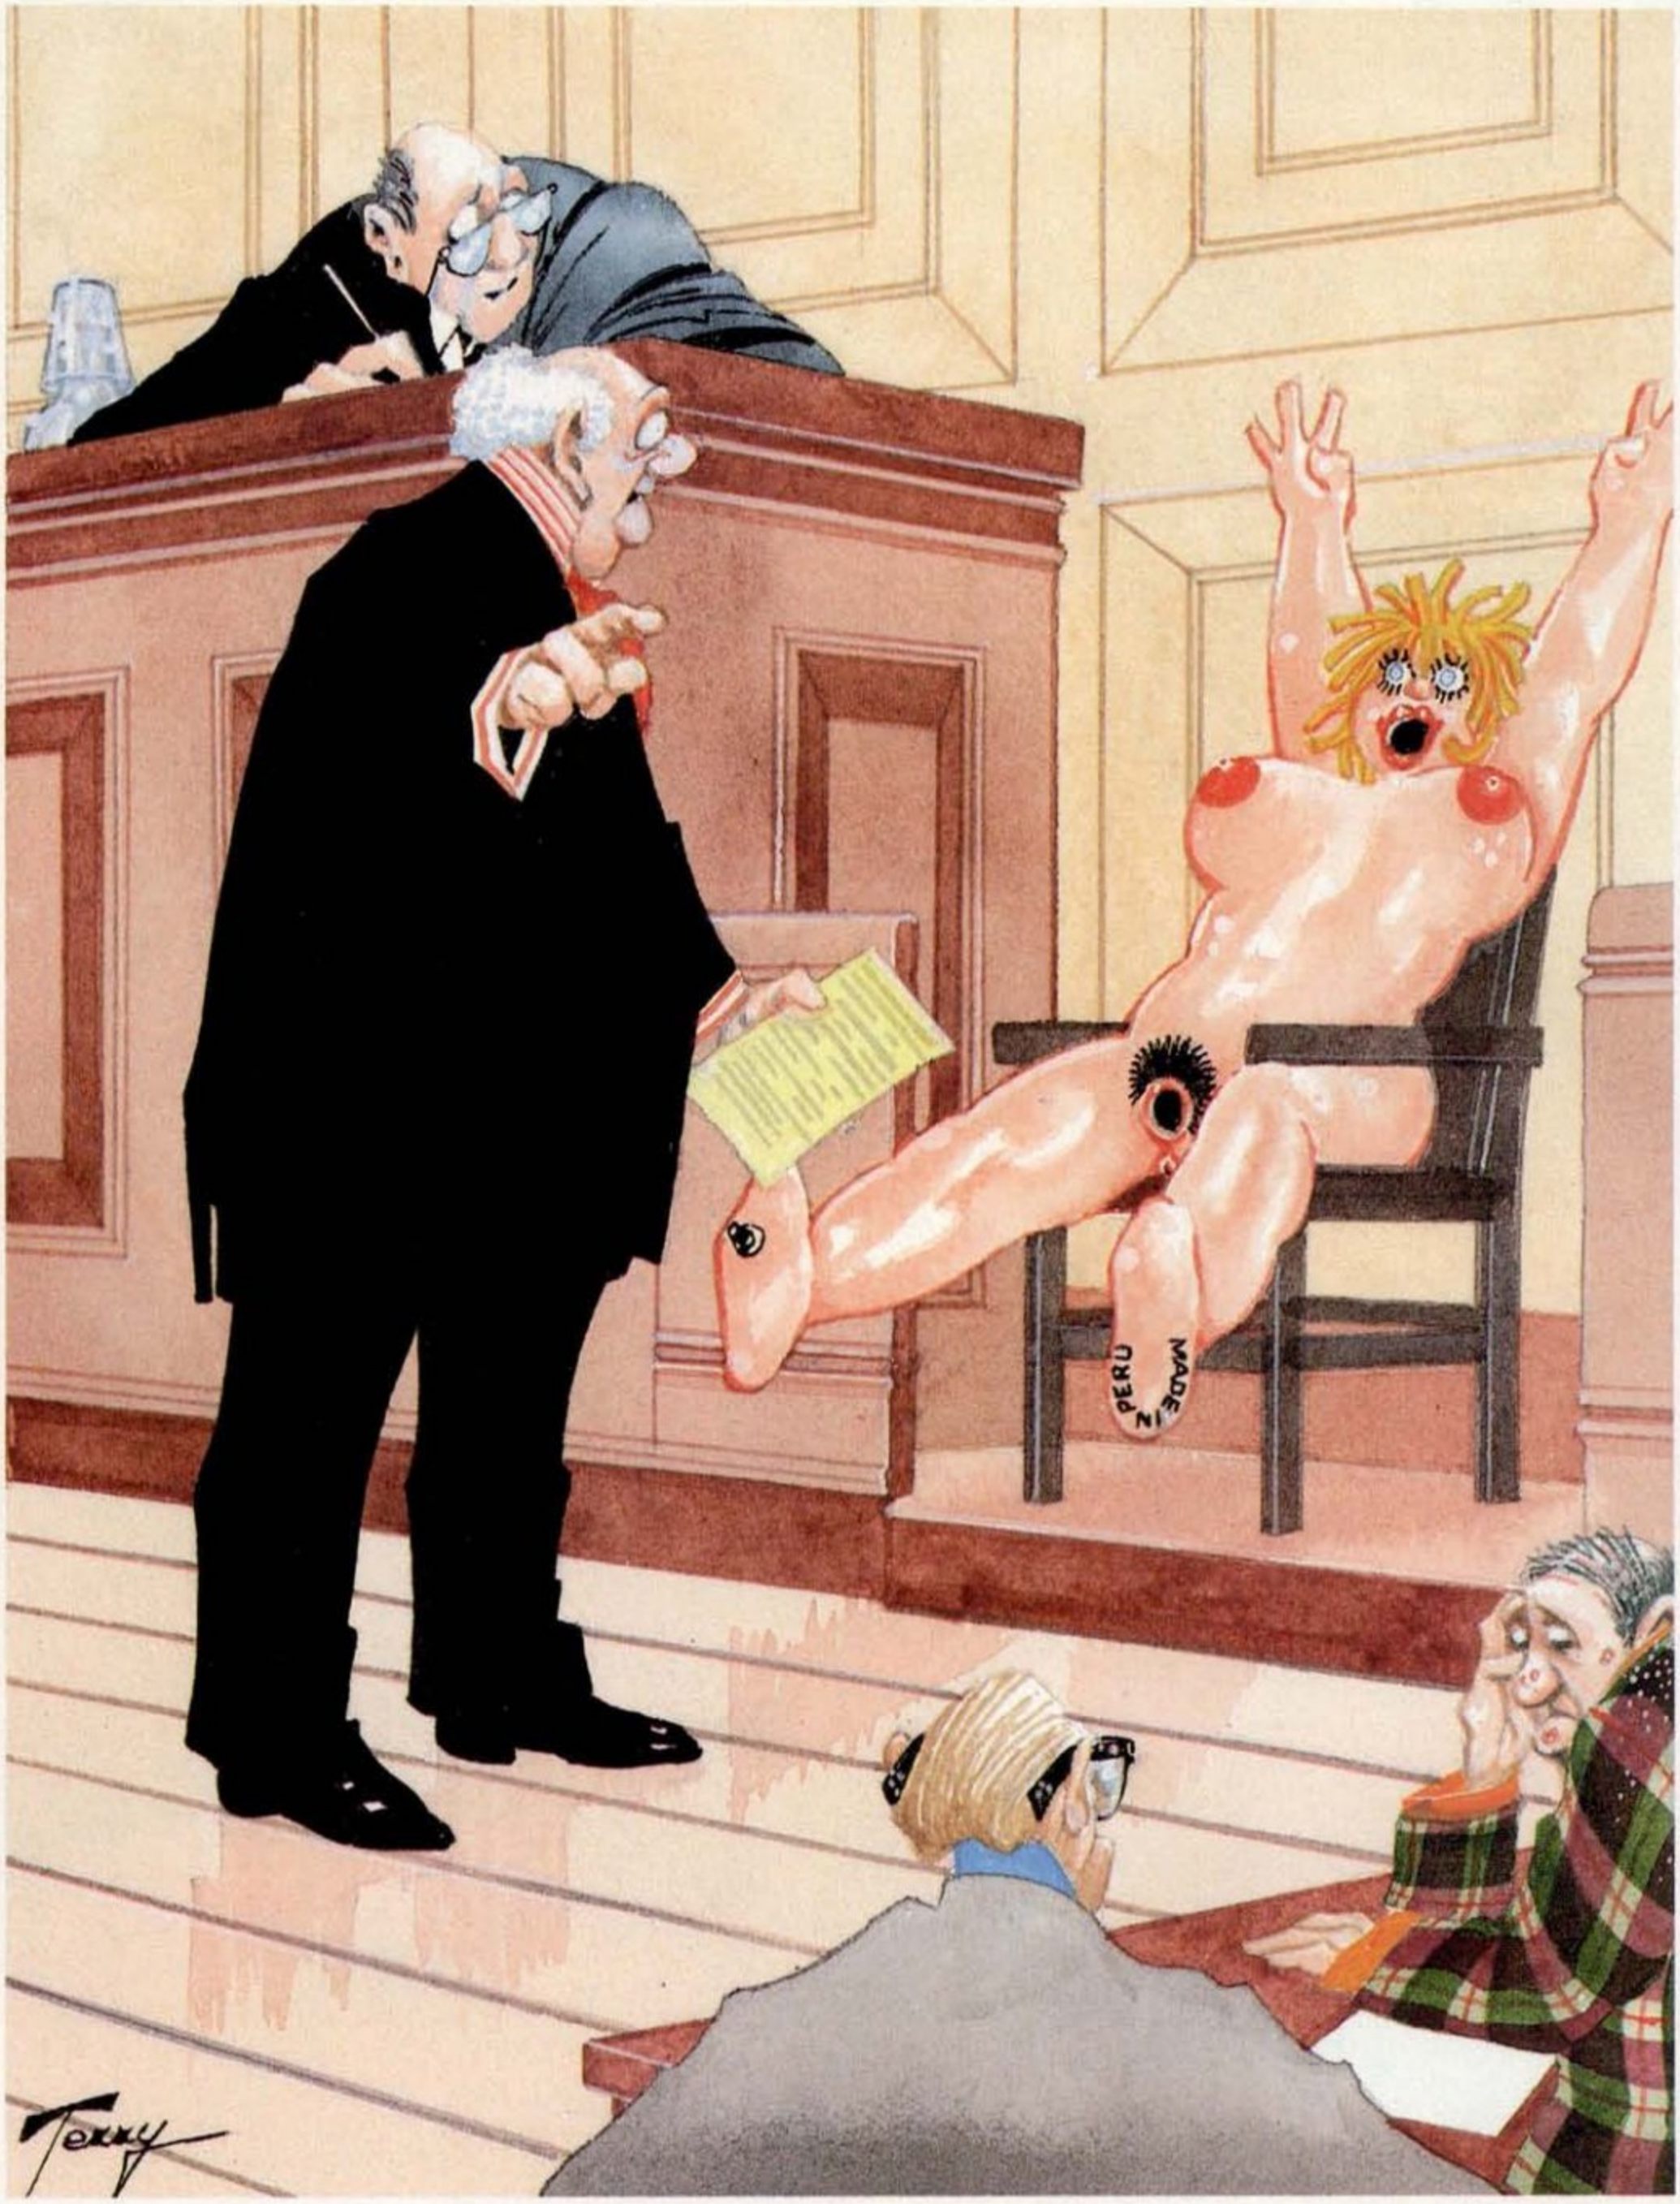
"There's no way you're sticking that in me," Stephanie protested. "My husband hurts me sometimes, and his is barely half that size."

"Can't you at least give me head?" Terrell sulked. "Y'all can't leave me like this."

I was about to tell the horse-hung buck that Stephanie ain't crazy about blowjobs, but my wife spoke up first, saying she'd be glad to. *Here's little Miss Don't-come-in-my-mouth ready to suck a guy off,* I thought. It gave me the hard-on of a lifetime.

Terrell stepped in front of her and stuck that monster johnson right in her face. What a sight! It was an awesome spectacle to behold: my beautiful little, blond-haired, blue-eyed, conservative housewife, sitting on the edge of a strange couch *(continued on page 51)*

My wife slurped the head of his black cock into her mouth.



"Tell the court, in your own words, of the humiliation, degradation and unspeakable depravity you suffered at the hands of the defendant."

The warm breeze kisses Abigail's nipples. Even the trees seem to shudder in excitement as the devilish sprite strips down in her woodsy hideaway. ***"I hate clothes,"*** *the breathless blond huffs.* ***"This pussy needs to breathe."*** *As the nature lover tickles her swollen notch, a gust of wind kicks up, rattling the trees around her.* ***"That's nothing,"*** *Abigail pants.* ***"When I climax, the whole world shakes."***

Devon: The Lost Footage: *"And you're gonna pay me too?! This is so rad!"*

Devon: The Lost Footage: *Jules Jordan breaks new mound.*

Devon: The Lost Footage: *Nap time's over, Devon.*

Devon: The Lost Footage

Directed by Jules Jordan.
Starring Devon and Jules Jordan.
Videocassette: Vivid Video.

Set your way-back machines to 1998, when *Devon: The Lost Footage* was shot. Clinton was facing impeachment, *Titanic* was raking in dough at the box office, and Devon was still taking facials. Seems like ancient history, doesn't it? In those bygone days, up-and-coming gonzo lenser Jules Jordan broke in a top-heavy stripper fated to become a Vivid girl. Also starring in scenes, Jordan partakes in a rare XXX commodity—fresh, superstar-caliber flesh. In these salad days, Devon's cunt was still tight. It takes time for Jules to ease his prick into her slit. Devon's face was yet to be marred by plastic surgery. Her look is innocent and youthful, all the better to douse with semen—which Jordan does every time the opportunity arises. The swordsman even fires a messy load into the back of Devon's throat. The ginch immediately spits the sperm out, eerily foreshadowing her future contract-girl prudishness. *Devon: The Lost Footage* is a scintillating and fascinating look at our hard-core heritage. **—Nicholas Veridian**

Johnny Wadd vs. The Hedgehog

Porn's Legendary Swordsmen Go Head-to-Head

Despite XXX's oppressive gyno-centrism, two of the biggest names in porn belong to men, both of whom are the subjects of recent documentaries. John Holmes's sordid life and career are examined in *Wadd: The Life and Times of John C. Holmes* (VCA Pictures), a 1998 biography that debuted on home video last October. Ron Jeremy's long, uncontroversial life in smut is detailed in *Porn Star: The Legend of Ron Jeremy* (Maelstrom Entertainment), which made its rounds in the nation's art houses last December. *Erotic Entertainment* boils down what both films had to say about the two studs and decides which bone is the baddest.

Let's Play Doctor: *Julie Meadows aces her pelvic exam.*

Euphoria: *"Careful, Brigette. These things really can put your eye out."*

Fade to Black: *Smile, Taylor. This one's for the yearbook.*

A Wolf's Tail: *Allysin takes it on the chin.*

Euphoria

Directed by Brad Armstrong.
Starring Sydnee Steele, Ava Vincent, Inari Vachs, Asia Carrera, Devinn Lane, Felecia, Nikita Denise, Jezebelle Bond, Tanya Danielle, Charlene Aspen, April, Brigette Kerkove, Lee Stone, Mark Davis and Mike Horner.
Videocassette: Wicked Pictures.

Cinematically ambitious spank flicks are usually tedious, unstrokable crap. Wicked's science-fiction epic *Euphoria* is a rarity, delivering standout sex and top-notch production values that put the Sci-Fi Channel's fare to shame. This blend of *The Matrix* and *The Road Warrior* (among others) casts Sydnee Steele as a chick who may be "the chosen one," capable of saving postapocalyptic America from Mike Horner. Steele is one of the few contract girls who genuinely looks like she enjoys sex, and her stunning body is violated in multiple scenes. Plenty of excellent ruts from other sluts, including Asia Carrera as a virtual-reality fuck machine, Tanya Danielle as a sultry dyke with a speculum and April as a cyberpunk tramp with a shaved head, are enough to leave viewers in a happily spent state of *Euphoria*.

—Clive Thurstwood

Let's Play Doctor

Directed by Bud Lee.
Starring Asia Carrera, Sydnee Steele, Alexandra Silk, Julie Meadows, Allysin Chaynes, Brigette Kerkove, Alex Foxe, Evan Stone, Alec Metro, Chris Cannon and Mike Horner.
Videocassette: Sin City Entertainment.

In *Let's Play Doctor*, Evan Stone is a pool boy who exchanges his leaf skimmer for a speculum and finds himself up to his elbows in pussy. With the help of Asia Carrera, Stone surreptitiously takes over Mike Horner's OB/GYN practice while the persnickety doc is away on vacation. The premise of a drooling everyman thrown into the "dream job" of Pap smears and pelvic exams could have made for farcical fun, but this flick only manages to annoy. The bulk of *Doctor*'s hard-core action is laden with so many quips, comments, jokes and remarks that stroke value is severely lessened. Only the final scene, which pairs Stone and Carrera, truly arouses. Carrera drops to her knees and enthusiastically inhales Stone's bone. Stone pounds his assistant from behind, then administers a steaming dose of nut balm to her quivering ass. The rest of *Let's Play Doctor* can only pretend to be as stimulating.

—N. V.

Fade to Black

Directed by Paul Thomas.
Starring Taylor Hayes, Taylor St. Claire, Julie Meadows, Meriesa, Adajja, Rikki Lixxx, Joey Ray, Dale D'Bone, Voodoo, Tony Tedeschi, Jason McCain, Mark Woods and Eric Everhard.
Videocassette: Vivid Video.

At first, *Fade to Black* appears to be a movie about making movies. Anyone who's ever endured a lousy indie about scrappy filmmakers putting their dreams on celluloid will be glad to know that this stylish stroke flick is something very different. Taylor Hayes is a naive country girl trying to break into adult films. She arrives in Tinseltown only to be tricked, manipulated and fucked—often. Since Hayes seems to have a contract clause that forbids semen from decorating her pretty face, mega-mammed Taylor St. Claire is enlisted to indulge in all the ass reaming and sperm gurgling that the star avoids. Scenes of St. Claire's lush, all-natural curves being desecrated by Voodoo's massive schwang are among the vid's highlights. Only the bloviating of Paul Thomas, in a cameo as a pretentious porn director, dims the heat generated by the dazzling tramps of *Fade to Black*.

—C. T.

A Wolf's Tail

Directed by Bud Lee.
Starring Asia Carrera, Sydnee Steele, Alexandra Nice, Allysin Chaynes, Dee, Elizabeth X, Herschel Savage, Evan Stone, Alec Metro, Joel Lawrence, Devin Wolf, Dillion Day and George Kaplan.
DVD: Adam & Eve Productions.

A Wolf's Tail is the second installment in a XXX trilogy. Asia Carrera stars as a writer who is drawn into a fictional world of vampires and excessive special effects. Lightning bolts crackle, eyes glow and flashy transformations abound in this fantastical stroke flick, but the condom-clad sex scenes are dull and most loads fall short, landing in cleavage. Herschel Savage hams it up as a vampire with a penchant for playing with his pipe organ. Eventually, the bloodsucker abandons his butchering of "Toccata" and "Fugue in D Minor" to pork Allysin Chaynes. The reedy harlot, already looking gaunt and low on blood, is impaled by Savage, then shares the count's spike with Dee. A second DVD offers interviews and a pair of fuck scenes unrelated to the feature, but adds little insight. Carrera's enthusiastic screwing prevents *A Wolf's Tail* from morphing into a total dog.

The Sopornos #3: *Lesbian mistresses, the real mob perk.*

Melissa West a.k.a. Filthy Whore: *"Ta-da! I made his penis disappear!"*

The Sopornos #3

Directed by James DiGiorno.
Starring Julie Meadows, Nikita Denise, T. J. Hart, Bronze, Monique DeMoan, Brooke Lane, Cheree, Tony Tedeschi, Herschel Savage, Mr. Marcus, John Strong, Adam Wilde, Marty Romano and Rob Spallone.
Videocassette: VCA Pictures.

Few spectacles are more pitiful than the sight of delusional pornographers living out their gangster fantasies on camera. Shaming the most pathetic wannabe mobsters, the mooks of *The Sopornos #3* can't even talk the talk. Rob Spallone and his *paisanos* Herschel Savage and Tony Tedeschi subject innocent viewers to unending, embarrassing goodfella impersonations. Spallone offs a few unlucky goobers, then blusters about it to his shrink. Riveting stuff. Fortunately, Nikita Denise and Julie Meadows are on hand to partially break up the monotony. Denise is thoroughly drilled by Tedeschi in the video's best scene, gulping jizz with her patented Euro-trash flair. Meadows spreads her ginch for plundering during a sweaty rut in the back of a limousine. The rest of *The Sopornos #3* should have been whacked before it saw the light of day. **—C. T.**

Melissa West a.k.a. Filthy Whore

Directed by Kid Tea.
Starring Melissa West, Coral Sands, Tina Cheri, Chris Cannon, Tony Tedeschi, Mark Woods and Dillion Day.
Videocassette: X-Traordinary Pictures.

Busty, blond, energetic *Melissa West a.k.a. Filthy Whore* is an outstanding XXX newcomer. Admittedly, Melissa's flaxen bangs are dyed, her tits augmented and her moans exaggerated. Regardless, this five-scene compilation proves the statuesque fuckhole's sexual skills to be genuine. West's mouth opens wide to accommodate cock, and her head bobs madly when she's face-fucking. Melissa's butt is luscious and is always open for business. Tony Tedeschi slams her turd hatch as poopy dribble runs down her supple thigh. The tramp's vocalizations add energy to her scenes. During a rare moment of silence, her breath becomes bated as the stud's prick pistons her shitter. West's mouth pantomimes silent shrieks, then the howls return as an orgasm blooms in her cunt. Melissa's leg twitches with climactic spasms. Fake or not, *Melissa West a.k.a. Filthy Whore* sells her scenes. **—N. V.**

The Adventures of Mammary Man and Jugg Woman

Directed by Thomas Zupko.
Starring Veronica Caine, Kiki Encina, Lola Lane, Corinna Curves, Hunter Scott, Shay Sights, Mr. Pete, Dick Nasty, Angel, Doug Hummer, Claudio, Wanker Wang and Brian Surewood.
Videocassette: Extreme Associates.

Thomas Zupko gives his questionable sanity a break with *The Adventures of Mammary Man.* Eschewing the Catholic-boy-from-hell personal exorcisms of *Abyss* and *Shades of Hades*, Zupko shifts his focus to gigantic tits and superheroes. Breastopolis is under siege, and breast milk must be rationed. Enter Mammary Man, who heroically befouls the holes of top-heavy whores such as Hunter Scott. Unfortunately, the slits in this cartoonish epic are fairly haggard, and Scott boasts a particularly bad set of inflated chest sacks. Nevertheless, these tarts know what Extreme expects from its talent, and dole out the gaping shitpipes accordingly. Full of breastpump fetishism and weak jokes, *The Adventures of Mammary Man* proves that its biggest boob was behind the camera. **—C. T.**

Kung-Fu Girls

Directed by Slain Wayne.
Starring Sunrise Adams, Sienna, Alaina, Brandy Lyons, Jade Blue Eclipse, China Doll, David Aaron Clark, Brett Rockman, Brian Surewood, Brick Majors and Scott Lyons.
Videocassette: Kick Ass Pictures Inc.

Slutty *Kung-Fu Girls* battle blazing flesh swords and foil an evil ninja-bitch's plans for world domination. While this chop-socky XXX parody benefits from director Slain Wayne's frenetic style and whacked sense of humor, it earns its black belt for sheer carnal talent. Cunt-of-the-moment Sunrise Adams teams with an exceptional collection of young gash under the martial arts tutelage of the sumo-sized David Aaron Clark. Adams devours Brick Majors's blood bone, takes a nasty pounding and catches a goopy load on her chin. In stark contrast to Sunrise and her squad of fresh-faced tramps is Jade Blue Eclipse, an Asian hardbody with blue hair and a buttload of tattoos who serves as the flick's villain. The athletic trollop flips, splits and fucks up a storm, offering a unique alternative to her daintier costars. The ghastly sight of Clark's unit dwarfed beneath his Mt. Fiji of a gut is *Kung-Fu Girls*'s only weakness. **—N. V.**

The Adventures of Mammary Man: *"Don't cream on my pendant. It's a family heirloom."*

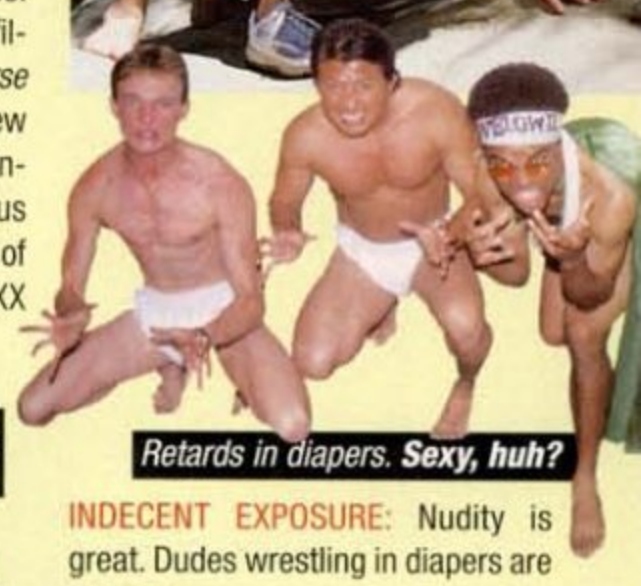
Kung-Fu Girls: *Jade Blue vaginally subdues an attacker.*

The Porn Police

HUSTLER Throws the Book at Mr. Vegas

Porn's reigning retard, Kid Vegas, has a new hideout and a new alias. The perp now works under contract as Mr. Vegas for Armageddon Entertainment, a sister company to Rob Black's Extreme Associates. *Erotic Entertainment* inspectors infiltrated the set of *The Unknown Curse* and discovered that, despite his new headquarters and cronies, the perennially limp smutmaker's modus operandi remains unchanged. A list of Mr. Vegas's multiple recent XXX infractions follows.

Vegas openly taunts law-enforcement officials.



Retards in diapers. ***Sexy, huh?***

"Scream all you want...."

IMPROPER USE OF TELEPHONE LINES: Mr. Vegas made multiple calls to HUSTLER during the course of a ten-minute period to brag about "retards eating their own cum" and casting Ron Jeremy (it's uncertain whether these phenomena are related). The suspect spoke in an extremely erratic and disturbed manner; the calls' recipient is now afraid to answer the phone.

Kid Red *covers up the evidence.*

GUILT BY ASSOCIATION: Mr. Vegas's current gang of rejects includes a male nurse, a fat, lithium-dazed dimwit, an out-of-work *bukkake* actor and a one-eyed, South African ex-boxer.

FAILURE TO USE A TURN SIGNAL: Within a 24-hour period, *The Unknown Curse*'s original narrative about a frog special agent morphed into the tale of a cursed dingbat bumblebee.

INDECENT EXPOSURE: Nudity is great. Dudes wrestling in diapers are obscene.

Mr. Vegas's employers are offering a reward for a decent porn story. Extreme Director Thomas Zupko will shell out $1,000 of his own dirty money to whoever successfully writes "the most outrageous, vilest, filthiest screenplay you can fashion." Zupko is putting out an all-points bulletin for "filth visionaries" who can create a screenplay incorporating such staples as midgets, nuns, Tibetan monks and 500-pound hairy men into their twisted story. In addition to Zupko's dough, the winner will be flown to L.A. for the shoot, land the glorious position of advisor to Mr. Zupko and receive a co-directing credit. In related news, Mr. Vegas reportedly was last spotted outside a Van Nuys shopping center with the five-tape set of *Hooked on Phonics*. The suspect was overheard muttering, "Gotta learn how to write. Gotta learn how to write."

Suspects caught in the act.

"This doesn't taste like honey."

Submissions should be sent to Zupko at elflush@yahoo.com.

Internally Yours #2: *"I can totally feel your splooge sloshing around in my uterus."*

Role Model: *In a perfect world, all babes would emulate Logan LaBrent.*

Slippery Slopes: *"No, I would not say I have a yen for lesbianism."*

Internally Yours #2

Directed by Vince Vouyer.
Starring Jenna Haze, Ann Marie, Lacey Duvalle, Joelean, Gabriella, Jassie, Randy, Joel Lawrence, Christian, Mark Davis and Vince Vouyer.
Videocassette: Elegant Angel.

Internally Yours #2 pumps cunts full of cum and lovingly documents the subsequent expulsion of said seed. Eighteen-year-old Jassie flexes, squeezing drops of nad nectar from her raw fuckhole. A stream of splooge shoots out of Joelean's tight snatch as soon as her stud pulls out. Joel Lawrence's viscous load refuses to ooze from Gabriella's box; so the blonde crams two fingers into her gash, scoops the seed out and slurps it down. Half the fun of making cream pies comes in the preparation. Mark Davis preheats Lacey Duvalle's oven with a vigorous finger-fuck. Soon, the 90-pound Nubian's flue squirts love juice, soaking Davis to the elbow. In retaliation, Davis pounds the waif's twat and blows his wad therein. *Internally Yours #2*'s visceral semen injections and able copulation are bogged down by decidedly un-gonzo scripted dialogue and over-the-top pillow talk, but raunch-hungry viewers will receive their fill. **—N. V.**

Role Model

Directed by Jerome Tanner.
Starring Monica Sweetheart, Jewel De'Nyle, Nina Ferrari, Melissa West, Logan LaBrent, Dillion Day, Joel Lawrence, Dale D'Bone, Tony Tedeschi and Steve Taylor.
Videocassette: Legend Video.

It's oddly frustrating when the stars of a porn tape fail to do the story justice. Nelson X's script for *Role Model* has better jokes than any episode of *That '70s Show*, but hopelessly dim sluts such as Melissa West and Logan LaBrent awkwardly stumble through the big words in their dialogue. Fortunately, West and LaBrent have a much easier time handling big cocks, and LaBrent's rude fuck with a blind Dillion Day is tasteless, hilarious and hot. Elsewhere, Nina Ferrari huffs down Tony Tedeschi's sausage after lecturing the audience on Russian literature. Joel Lawrence interrupts a rant on the economic impact Eastern European porn chicks have had on the American porn industry long enough to bone luscious Monica Sweetheart. The one thing that *Role Model* truly needs is someone skilled enough to guide the cast through a surprisingly funny screenplay. **—C. T.**

Slippery Slopes

Directed by Jeffrey Wolf.
Starring China Doll, Sabrine, Miko Lee, Jade Marcela, Kianna, Bamboo and Kimmy.
Videocassette: Visual Images.

Promising a "new slant" on girl/girl porn, *Slippery Slopes* is primarily notable for the proudly tasteless ethnic humor of its box cover. Otherwise, it's a fairly standard all-chick fuck flick. Sporting bad skin, excess weight and a terrible dye job, China Doll looks like an Asian woman's best approximation of poor white trash. She also reveals an amusing mean streak when she uses a big strap-on to abuse delicate lotus blossom Kimmy. Aside from China Doll's nasty tangle with Kimmy, only the concluding lez-out between Kianna and Bamboo brings blood swords to attention. Their sun-drenched outdoor scene is also the best-shot segment of the video, with Bamboo devoting ample time to worshiping Kianna's massive fun bags before slurping her sushi taco. *Slippery Slopes* is best suited to those with a real yen for Far Eastern flesh. **—C. T.**

The black man knelt in front of my wife's parted thighs and began feeding his dick head into her moist, blond fuzz pit.

(continued from page 32) staring down a strange, chocolate cock that sported a single drop of pre-cum in its eye.

With her left hand, wifey cupped Terrell's sizable bag while her right mitt fastened around the middle of his meat spliff. I thought she would wipe off his dick's anticipatory droplet before she sucked, like she does with mine, but Stephanie opened her beautiful lips and slurped the head of his cock into her mouth.

"That's good, baby," Terrell moaned with pleasure, "but I need you to take it deeper." I could see my wife's toes curl as she inched her mouth up his dark throbber. The man's dick was so thick, Steph's yap strained to stretch around it. She couldn't put much in without gagging; try as she might, my better half only managed to suck in the head and maybe two inches after it. She made up for her small mouth by massaging our neighbor's nads and pumping his shaft hard with her hands.

Stephanie looked like a woman possessed the way she was working that cock. She was obsessed with making the black man come into her skull. She usually won't even swallow her own spit when giving me head and often ends up with prick-tainted drool dribbling down her chin in her squeamish attempts to keep from ingesting anything off my crotch. Not so with Terrell; after ten minutes of the frenzied humjob, Stephanie's chin was dry. I saw her throat muscles contract, and I knew she was sucking as much musky, pre-ejaculatory ooze as she could from our bricklayer and swallowing every droplet.

I couldn't take the sight of my sweet, timid wife gone cum-hungry hellcat any longer. I shot my wad; the unguent hit her side and slid down her ass onto the couch while she kept working the meat in her wide-open mouth without so much as flinching. Steph's rubbery nipples were super-erect. I knew from the flush of her cheeks that my honey was close to coming herself. Terrell looked ready to explode. He turned to me and bellowed, "Please let me fuck her!"

I was about to say no, but my wife pulled her head away and her baby blues sparked. "Let him try, honey."

"Got any condoms?" I asked, reasoning that a black kid would be hard to explain to the relatives.

"No," Terrell panted.

"I trust you, baby," my wife said to Terrell. "You can just pull out."

"No way," I complained. "She's way too tight."

"Please," Terrell repeated, his flagpole standing proud. "I got some Astroglide, and if it hurts, I'll stop."

The thought of something that big in my lady's tiny chamber stiffened my pud again, although I was becoming a little jealous. I had to remind myself that we were moving to Houston in three weeks, and this wasn't likely to happen again. I doubt that I could have kept Stephanie off his cock at that point anyway; so I relented.

Terrell went to the bathroom and returned, his big dick shiny with lube. The black man knelt in front of my wife's parted thighs and began feeding his dick head into her moist, blond fuzz pit. Steph's face screwed up into a grimace, but she didn't holler uncle. Once the dark tip made it, the rest jammed in a little easier. Her expression changed from agony to ecstasy.

"Oh, my God—it's big!" my beautiful blonde giggled. Terrell fucked her slowly at first, but as Stephanie's pussy adapted to his huge slab of meat he sped up the pace and increased the depth of his plunges. Steph held his arms and flung her feet up from the floor. My wife's legs spread wide as her tight hole accepted at least eight inches of his length and she hollered for joy. She came violently and repeatedly when my neighbor grabbed her milk-white tits. The overfilled, overloaded love of my life shook like a washing machine on the end of a strange guy's dick.

"I'm gonna come," Terrell said, backing his wang halfway out. Stephanie grabbed onto his ass.

"No!" she screamed, shuddering through another orgasm. "Don't stop!"

"Stop! Stop!" I yelled.

Terrell proved himself a good neighbor. He carefully removed his freak-show cock without spilling. Then, grabbing my wife by the hair with one hand, the swarthy gent leaned forward and pointed his spear at Steph's face.

"Open," he gasped.

Stephanie's lips parted. I couldn't believe it. The bricklayer let go with an emission that looked like it could have come from a horse; the load poured into her mouth like a blast from a fire hose. Stephanie closed her eyes and swallowed. A second fiery jet of white-hot cum exploded against her chin, splattering the lower half of her face and dribbling onto her chest. Successive pulses sent jizz up her nose, in her eyes and into her hair; by the (continued on page 112)

Dear Slut

Jeanna Fine Tells the Fucking Truth

Oh, Fudge

Jeanna, I have a huge problem. I love to taste shit, but very few girls will let me lick their dirty buttholes, let alone chew on their turds. I come way harder with a mouthful of poop, but it's near impossible to find a woman who wants to take a dump on me. What am I doing wrong? What does it take to be crapped on in this town? ***—A. G.***

La Puente, California

The key to broaching a subject as touchy as scat play is to be cool. Don't beg or plead. Put your feelers out. Determine whether your partner is adventurous, then drop subtle hints. Butter her up with an intense rimjob, then let the turds come naturally. The worst thing you can do is make the babe feel forced, pressured or coerced. Use smart, incisive pillow talk to make your poopy angel feel like a taboo-busting coconspirator. Check out online discussion groups and find out what techniques other men have used to sweet-talk shit from their lovers. Otherwise, pay a whore to crap on you (or drop in on a local NOW meeting with a copy of HUSTLER in your hand), but don't be surprised if you catch hepatitis or something worse.

It Does a Body Good

I'm addicted to breast milk. My son's already been weaned off tit-sucking, but I can't seem to break the habit. Every time my wife and I screw, I'm drawn to her hefty jugs and can't help but suckle the tasty juice as I pound her baby-hole. Is it unhealthy for a woman to continue producing mama-milk long after birth? And what about me? Am I totally whacked for constantly slurping my wife's lactations? ***—N. K.***

Tinley Park, Illinois

As long as your kid isn't malnourished, there's really no harm in suckling your wife's milk. The male fascination with boobs is perfectly natural. Psychologically, your tit-milk addiction is simply a step back toward the womb. Mothers have been known to nurse for years after childbirth with no health problems aside from sore breasts and chewed-up nipples. Your wife will probably tire of her swollen tits and wean you as well.

Sperm Repository

I just started dating a new chick, but something about her sexual hygiene freaks me out. We fuck almost every night, and the sex is fantastic, but after I blow a load in her cunt or ass, she cuddles for a while, then falls asleep in my arms. She doesn't clean herself out or anything! I'm sure that retaining jizz overnight is not just gross, but medically dangerous. Am I blowing things out of proportion? ***—F. I.***

Harrisonburg, Virginia

Cum in the ass tends to be uncomfortable and will squirt out like a wet shit onto the sheets. The vagina, on the other hand, is built to retain and absorb semen. Loads may be expelled eventually, but will likely find their final form as a flake or crust on the inside of her thigh. If you're worried about sleeping in filth, change your sheets the morning after. Your lady's cunt is healthier now than it would be if she douched after every screw. Natural lubrication and juices, not sterile conditions, keep pussies happy. Stop stressing. If your girlfriend looks, smells and tastes clean, she probably is.

Doctor Frankenweenie

I read in the newspaper that a guy who paid for dick-enlargement surgery wound up with a deformed penis several inches shorter than his old schlong. Was this a freak accident, or is the procedure still unproven and more sketchy than your everyday breast enlargement? ***—E. P.***

Wyoming, Michigan

The penis is an incredibly complicated, wonderfully diverse organ. Few parts of the body have so many different forms and functions. No wonder dicks are difficult for doctors to work with, let alone adorn with such luxuries as length and girth. Prick surgery is a new, uncertain art. If you must enlarge, find a reputable doctor. Research his record, talk to other patients and, if possible, examine other altered pricks before you pick the man who will cut your sausage.

Queasy Kid Stuff

A friend of mine is a conspiracy nut, and he says that if the government wants to take you down, they'll hack your computer, stash child porn in a hidden folder, then bust you. I'm not so paranoid, but I'm still a little concerned. My porn collection is completely aboveboard except for some old pictures of Traci Lords. Could I be busted for possessing this old smut? ***—T. B.***

Tuscaloosa, Alabama

The feds are after sexual predators, not porn collectors. If you are involved in racketeering, embezzlement or some other serious crime, prosecutors may tack possession of child porn onto your

Dear Slut

"My dick is super-thick; so anal sex is pretty much out of the question. Are there some tricks to fitting big dicks into little holes?"

list of charges. Such busts usually involve a garage full of the worst kind of pedophiliac smut, not a single bootleg, uncut copy of *New Wave Hookers*. To be safe, keep quiet about your stash and don't try to sell your XXX booty on the Internet.

Wide Style

My dick isn't really long, but it's super-thick. Because of my girth, many girls experience extreme discomfort when I fuck them, no matter how slowly I go. Anal sex is pretty much out of the question. Do I have to put my dick on a diet, or are there some tricks to fitting big dicks into little holes? —G. P.
Islip, New York

A fat cock is a beautiful thing. I've always felt that as long as the prick reaches the G spot, any other length is superfluous. Girth is where the fun comes in. Use tons of foreplay before attempting insertion. Lubrication, either natural or man-made, is an absolute necessity. Put the girl on her knees and angle her ass up in the air. This posture tends to open snatches up the best. Most importantly, start slow and build momentum. Most cunts can handle any prick when properly introduced.

Ring Around the Rosebud

My girlfriend is totally into piercing and wants to get a ring in her rectum. I told her it was a bad idea and that such adornment would make shitting a messy, if not downright unhealthy, ordeal. She argues that the ass jewelry will give new and exciting stimulation during anal sex. Who's right? —J. E.
Baker, Louisiana

You're both correct. The asshole is very difficult to keep totally clean. Think about the complications involved with an open wound on the edge of the shit canal. While genital piercings are kinky and add sensation to carnal experiences, I imagine a hoop through the ass would be particularly difficult to maintain. Talk to someone with a similar adornment and find out what to expect.

Looking for Juice

I think I've targeted my woman's G spot. I insert my fingers into her snatch, hook upward and massage the muscle mass with broad strokes. Now I want to make her squirt. I'm pretty sure this area is where I need to be, but I don't know what kind of technique I should be using. —P. N.
Madisonville, Kentucky

If you've targeted the G spot, you're very close to making your woman squirt. Most techniques involve placing the thumb over the clit and applying fast, firm and repeated pressure to the G spot as vaginal contractions begin. Check out one of the many how-to videos devoted to female ejaculation to perfect your technique.

Cherry-poppers Inc.

I'm a virgin who has had no luck with dating; so I've decided to pay an escort to pop my cherry. I've heard that some girls charge $200 to $300 an hour. What should I expect for that much money? Some hookers require advance payment, and others collect their cash after. Which is better? Should I do out-call or in-call?
—K. M.
Tacoma, Washington

You're not gonna get much for $300. Don't throw your first time away on a cheap whore. Save up a little cash and take your virtue to the Moonlight Bunnyranch in Nevada. Making a trip to a legal brothel will give you much less to worry about and make your first fuck a much more pleasurable and memorable experience.

GUYS AND SILICONE DOLLS

THE WEIRD SCIENCE OF THE THREE-HOLED APPLIANCE

REPORT BY **MIKE KELLY**

PHOTOGRAPHY BY **BIG BROTHER** AND **MANUFACTURERS**

Fucking an inanimate rubber object has never been more gratifying. Today's doll boffers no longer need to blow up their surrogate girlfriends, but some super-realistic sex mannequins are breathtaking nonetheless.

Peter (not his real name), age 43, is an engineer for a major company located near Seattle, Washington. One day while watching TV as a teen, Peter saw a film that depicted a man having virtual sex using state-of-the-art electronics. Ever since that life-changing viewing experience, the impressionable sci-fi fan had hoped to build his own sexual-simulation system. In July 2000, Peter's dream was realized when he found a used Realdoll for sale. He combined the silicone sex doll with a virtual-reality headset and an interactive DVD player. More than a year later, Peter still enjoys watching his favorite porn flicks as he shoves his cock in and out of his Realdoll's rubber mouth.

"[The virtual-sex setup] is very addicting," says Peter. "A Realdoll can suck cock for years at a time, because she doesn't need to breathe. My girlfriends never liked to suck me off while I watched a porno movie anyway; so this worked out really well for me."

While men have been boffing blow-up dolls for decades, the solid, silicone, humanoid sex toy is a relatively new phenomenon spearheaded by Abyss Creations in San Marcos, California, which sells the Realdoll. Unlike their inflatable cousins, Realdolls don't require any air and appear much more realistic. Even so, the dolls still have a glazed, lifeless look. To make his Realdoll romps seem more genuine, Peter fools around with his sex surrogate "at night, with a few lights turned on."

The dolls, which weigh between 90 and 120 pounds (depending on the model), can be posed into various positions for sucking, fucking or just visually stimulating the masturbator's mind.

Although Realdolls are more lifelike than their plastic, blow-up counterparts, the silicone skin feels more like a high-end dildo than human flesh. While Peter insists that, with lubrication, the rubber cunts feel almost natural, he admits that doll pussy is stiffer and less yielding than organic vagina. To make their effigies more womanly, doll owners warm their three-holed cum receptacles by submerging them in hot water or heating them with an electric blanket.

The inventor of the Realdoll is Matt McMullen, an artist who began making sculptures of women in 1994. Initially, McMullen figured his posable works of art would make great store mannequins. To showcase his work, the modern-day Gepetto created a Web site, which soon received hundreds of e-mails. The most common question was, "Can someone have sex with it?" Even McMullen's wife suggested turning his pieces of art into pieces of ass. McMullen believed that nobody would pay as much as his creations cost to make, but he soon learned that hundreds of horny men were willing to shell out approximately $6,000 to get laid by a rubber dummy. The sculptor spent nearly a year making the doll sexually functional before he began accepting orders.

Prospective Realdoll reamers can choose from a variety of options: ten different heads, six different body types, five skin tones, seven shades of lipstick, three styles of pubic hair and an assortment of nail colors and hairdos. "Each Realdoll is a custom-made art piece," says

Guys and Silicone Dolls

McMullen. "I personally do every last step in the production process to make sure the doll is perfect." For a negotiated price, McMullen will create a doll that resembles a specific porn star, movie actress or even an ex-wife.

"We get some incredible letters," says the dollmaker. "Letters from men who say they're disfigured, that they don't have the self-esteem to get out there and meet women for themselves and that the doll has brought them a new level of self-confidence."

Since the invention of the Realdoll, three other companies have entered the silicone sex-mannequin business. McMullen's main competition is N/C Dimensioning Inc., located in Chatsworth, California. The company's founder, 47-year-old Mark Maki, named his four-limbed sexual aid "SuperBabe."

"SuperBabe isn't the pretty girl next door," explains Maki. "She is more the oversexed vixen. SuperBabe is the awesome girl sitting in a room that you don't think would give you the time of day. But you own her now." On closer inspection, SuperBabes look more like the ugly girl next door who is no longer breathing and is slightly deformed. Without its wig, a SuperBabe resembles the side-show circus freak known as a pinhead. While SuperBabes are not as attractive as Realdolls, they are known in silicone sex-doll circles for their superior durability. Unlike Realdolls, which are reputedly prone to tearing, SuperBabes can withstand all kinds of rough sex without ripping.

First Android, located in Neumarkt, Germany, markets its female sex doll, the Andy2000, as the "first true android" ever offered for sale.

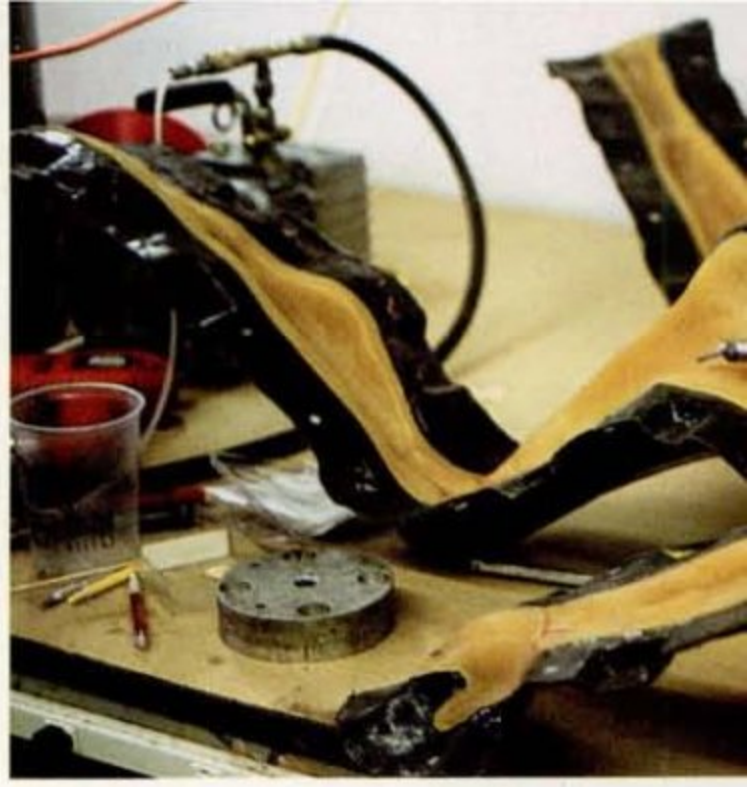
Pandra Corporation, in Urawa, Japan, manufactures silicone replicas of East-Asian women. Their Kumiko model costs 380,000 yen (approximately $3,050). Unlike its competition's anthropomorphic sex toys, Pandra's girls feature a silicone skin covering a foamlike material that is similar to that used in automobile seats, making the dolls very soft and lightweight (ten pounds).

Those who want to fuck their Kumikos up the ass are out of luck; these silicone sex kittens only have two holes: a vagina and a mouth. On the plus side, Pandra's pseudosluts feature a detachable pussy, allowing the doll fucker to mix and match various slits and facilitating easy cleaning.

Unfortunately, the other manufacturers don't include this last feature, which doesn't deter some sex-doll fans from swinging with their rubber lovers.

"I love swapping dolls with other owners. I've even swapped my Realdolls for another guy's girlfriend."

"I love swapping dolls with other owners," says Peter, who currently owns two Realdolls. "You don't know how exciting it is to fuck a new doll, because

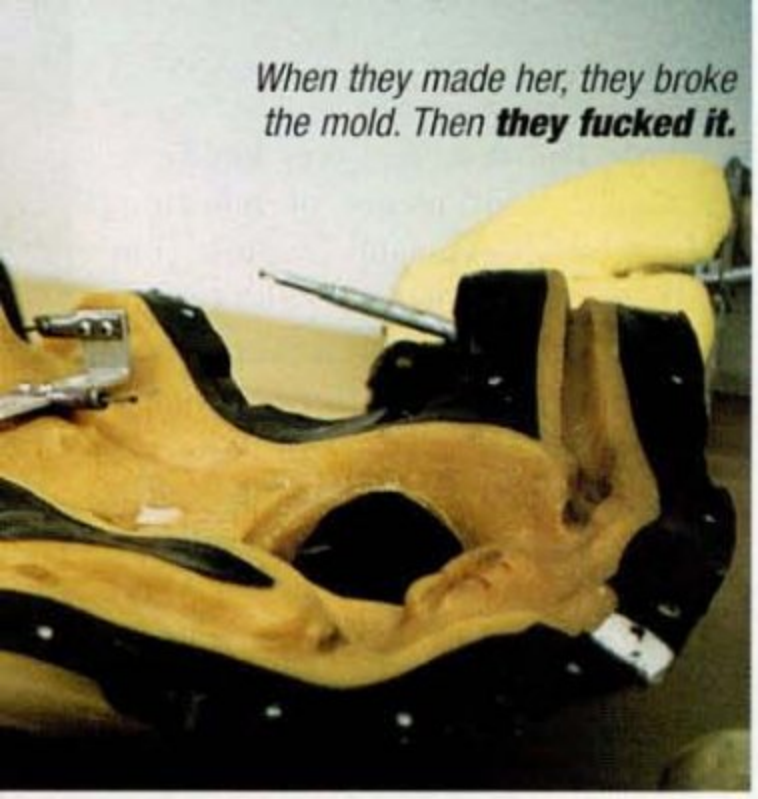


all the Realdolls fuck a little differently," says Peter, explaining that each model's pussy varies in tightness. "I've even swapped my Realdolls for another guy's girlfriend. There are only about 900 of these dolls in existence, and a lot of people out there are very curious about them. I bought a second Realdoll new so that I could get the really big tits—34EE. Now all of my doll sex is with both Realdolls at the same time."

Gordon Griggs, a packaging operator at a plant near Petersburg, Virginia, bought a Realdoll because, he claims, meeting and dating actual women has always been more trouble than it is worth. Griggs spent almost nine months acquiring the funds to buy his new girlfriend. "I'm kind of glad it took so long," says Griggs. "While I was saving my money, the Body 4 came out. Body 4 was exactly what I wanted." (Body 4 is Abyss Creations' petite model; she's 5-1 and has 34A breasts.)

"The time I waited for her to get here seemed like forever," Griggs says of his new fuckmate, "Ginger." "Now that she is here, time goes by so fast. I do not have any desire at all for a real woman now. Ginger fulfills all of my desires and fantasies. We are perfect for each other. She does not drink, smoke or do drugs. She cannot get pregnant. She will never steal from me or lie to me. I am totally happy with her."

Unlike Peter, Gordon would never allow another man to be intimate with his silicone girlfriend. "What would hap-



*When they made her, they broke the mold. Then **they fucked it.***

pen to her if I died?" ponders Griggs on Doll Forum, an Internet bulletin board for love-doll lovers. "The thought of her being with another man upsets both of us very much. I talked with her about it a while back, and she told me that she wants to be buried with me. The idea of death has always bothered me. But if I can be buried with her in a lovers' embrace, death does not seem as bad."

After his wife died from cancer, Jim Crompton, a 50-year-old carpenter from Georgia, wasn't ready to join the dating scene; so he ordered a Realdoll instead. "The sex—it was just too good for words," says Crompton. "I never had anal sex before, and I found that, with the doll, it was almost a religious experience—pretty much exactly the same as it is in adult movies. In spite of their weight, I would call them the greatest sex toy ever made. Buy a doll, and try the doll. If you don't like it, sell it. There is a hot market for used dolls. You will never get stuck with it."

According to silicone-sex-doll enthusiasts, pre-owned units in good condition are sold for $2,000 and up, and as long as the user doesn't fuck the shit out of the doll, the secondhand owner can resell it for the same price.

"Buy a doll, and try the doll. If you don't like it, sell it. There is a hot market for used dolls."

In the unfortunate case that a doll has been dick-damaged, Slade Fiero, a professional sex-doll repairman who advertises his services on the Internet (www.realdollrepair.com), can mend most any broken love doll. Fiero is also a used-doll salesman who, at any given time, has up to four models hanging around the house. Prospective buyers can rest assured that their used sex doll has undergone rigorous testing. "It was pretty cool having four dolls around," says the merchant. "Sex with each different Realdoll body style is a little different."

Jerry and Adriana are a St. Louis, Missouri, couple who found happiness with a devirginized fuck-doll. In early 1999, the pair purchased their first of many Realdolls—a used model from a man who needed to relocate and couldn't take "her" with him. Jerry and Adriana

THE HEDGEHOG DOINKS A DOLL ON CAMERA

Ambrosia Vynne, the writer and director of Realdoll the Movie—starring Ron Jeremy, Shayla LaVeaux, Shanna McCullough and a (completely) silicone porn star—talks candidly about her debut film.

***HUSTLER:** What persuaded you to make **Realdoll the Movie**?*

VYNNE: *I wrote a story called "Blow-Up Life" in which a man who was unable to connect with a real woman finds a very expensive blow-up doll, takes it home and explores what it means to have a relationship with a woman. A lot of my readers saw the story and said, "What you're describing is called a Realdoll, and the people who manufacture these dolls desperately want to do a video." Matt McMullen [creator of the Realdoll] and his wife, Kim, were excited about the story and the prospect that a quality writer such as myself could turn their doll into a high-quality video.*

***HUSTLER:** Why Ron Jeremy?*

VYNNE: *I chose Ron Jeremy [because] he can act. He is not like a lot of the other porn stars who look gorgeous and know how to fuck, and yet they don't know how to act. So I brought him the script, and he was very interested. Casting the two girls was a little more difficult. I needed someone who could memorize the lines; so I opened up a casting call, and I chose Shayla LaVeaux to play the part of the doll. We casted her into an actual rubber doll. In [Jeremy's character] Max's eyes, the doll comes alive. Ron is screwing the doll, but in his head, he is really screwing a real woman, and he has to go through his own journey.*

***HUSTLER:** Where exactly does he go on this journey?*

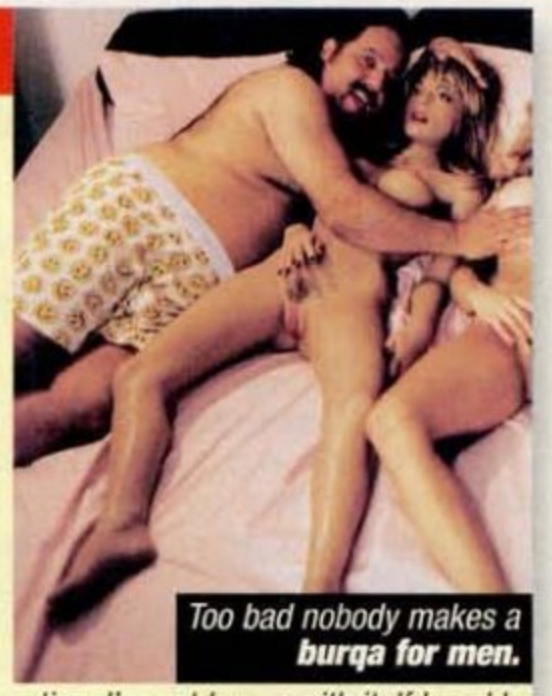
VYNNE: *[Jeremy's character] goes to an adult store and finds the Realdoll. He takes the doll home, has sex with her, gets angry with the doll, rapes the doll. The doll sucker-punches Max, ties Max on the sofa and rapes Max with a rolling pin. Ron Jeremy wouldn't let me put the rolling pin anywhere close to his ass, [but] for a little extra money, I was able to put fake blood on the rolling pin, plunge it once close to his butt cheeks, and we had the rape scene. When he wakes up, he reaches around and touches himself. He sees that there is blood and the realization hits: **What you put into the relationship is what you get out of the relationship.** He apologizes to the doll. He takes the doll up to his bed, and he discovers that the best way to have sex is by making love, not fucking. The end.*

True love.

***HUSTLER:** How touching—and by "touching," I mean moronic. So what's next for **Realdoll the Movie**?*

VYNNE: *Metro offered me something ridiculous for the film, and I turned them down. I'm not gonna sell the rights to the film for $500 when it cost $45,000 to make. Do keep in mind this is my first production. I'm not happy with it. If I could find the funding, I would cut it again into DVD and redo some of the scenes, because the creation that I had in my head is not what I got on film. I agree with Steven Spielberg. When he did **E.T.**, the creation that he had in his head was totally different than what he had on film, and he was unhappy with **E.T.**; I'm unhappy with **Realdoll**.*

***HUSTLER:** We're sure Mr. Spielberg will be thrilled with the comparison.*



*Too bad nobody makes a **burqa for men.***

Guys and Silicone Dolls

regard collecting love dolls—both the inflatable latex variety and Realdolls—as a fun hobby that they can share.

Several years before meeting Adriana, Jerry became interested in blow-up dolls as a way to augment his sex life. Jerry's favorite model, the "Latex Lady," became his "angel of the night." "When I wanted attention or just 'to play,' she was there; so I named her Angel," says the doll fucker.

"When I met my wife, Adriana, I quickly learned that she too liked my doll. At first she was a bit nervous, but then she began to dress up Angel and play also. Adriana and I still have a very happy and active sex life, and we both play with the dolls from time to time. It's silly, but we both really enjoy it."

Kharn, of Oxford, England, enjoys snapping pictures of his Realdoll. The amateur shutterbug and proprietor of *Coverdoll*, an online monthly magazine dedicated to the life-size silicone beauties, had always wanted to dabble in glamour photography. Every time Kharn asked girls to pose for him, they gave him the cold shoulder.

While cruising the Internet, Kharn stumbled across Abyss Creations' Realdoll Web site. "Wow! Ready-made supermodels that are total chameleons. What more could you ask for?" asks Kharn. "[I have] my own full-time model who is ready and willing to have her photo taken at my convenience in whatever outfit I desire."

"With plenty of lubricant, Sabrina feels reasonably realistic, but greatly lacks the inner warmth of a real woman's vagina."

Although Kharn says that sex with his Realdoll, Sabrina, is extremely enjoyable, he still prefers a flesh-and-blood woman. "The dolls feel very lifelike to the touch. With plenty of lubricant, Sabrina feels reasonably realistic, but greatly lacks the inner warmth of a real woman's vagina. Our lovemaking has to be gentle so as not to damage her, whereas with my ex-wife and my girlfriends, it has always been rather more athletic."

Dr. Randy Getchell, a 58-year-old sex therapist from Tyler, Texas, uses his Realdoll to help men who suffer from sexual dysfunction.

"This all takes place with absolutely no contact, nor touching of the doll at all," says Dr. Getchell. "They are simply given suggestions, as well as the visual aid of seeing the Realdoll without any panties on under her garment or robe. I learned that once the fear of rejection or ridicule can be totally eliminated, there was not a damn thing wrong with these guys' sexuality, nor with their sexual function and abilities."

Despite his hands-off therapeutic technique, Dr. Getchell explains that the dolls can also assist men who can't control their loads. "[Some men] get too excited when they're with a woman, and then it's all over before it starts. The doll helps them to overcome the anxiety of premature ejaculation and start dating once again."

BETTER (SELF-) LOVING THROUGH SCIENCE

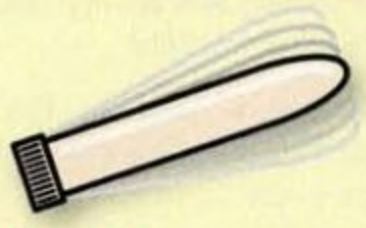
Technological Advances in Masturbation Aids

Lube

*In the days of yore, **vegetable oils** and **animal fats** were used for lubricating dry snatches. A major breakthrough in sex goo came about in 1859 when Brooklyn chemist Robert Cheesebrough noticed that a colorless, waxy by-product of kerosene could help heal minor cuts. He produced a clean version of the petroleum jelly and named it **Vaseline.** In 1910, scientists invented water-soluble **K-Y jelly.** A year later, Procter & Gamble introduced Crisco, a fist-fucker favorite, to the marketplace. Space Age chemist Dan Wray concocted **Astroglide,** a substance that had the consistency of vaginal secretions, while working as a Space Shuttle subcontractor in the 1970s.*

Dildos

*Like the wheel, no one knows who invented the dildo. In ancient Greece, phallic-shaped pieces of wood, leather and clay were sold all around the Mediterranean to desperate women. Etymologists believe the word **dildo** is a derivative of **diletto,** the Italian word for pleasure. Rubber dongs came on the scene in the mid-1800s. In the early 1970s, paraplegic Gosnell Duncan invented the silicone dildo (in your face, Stephen Hawking!). In the late 1990s, sex-toy makers began crafting prongs from Cyberskin, an extremely fleshlike material originally used for movie makeup.*



Vibrators

In 1869, American physician George Taylor patented the first steam-powered vibrator. In this glorious pre-HMO era, the devices were used by physicians to cure hysteria (from the Greek for "suffering uterus"). The doctor would apply the apparatus to the hysterical (i.e., horny) woman's clitoris until she achieved what modern folk call an orgasm. In 1880, British medic Joseph Mortimer Granville designed the first battery-operated vibrator, and by 1900, many companies were producing electric clit massagers, some of which were powered by line electricity. Today, as batteries become smaller and smaller, some modern vibrators can fit on a fingertip.

Artificial Vaginas

Like their dildo counterparts, disembodied, faux cunts have been found in ancient Greece. Basically, anything that has a hole has been fucked, including strategically carved watermelons. Pocket pussies, like fake dicks, are always manufactured using the latest materials. Latex vaginas have been marketed for more than 25 years. In the early 1990s, silicone snatches were introduced to the masturbating public. Cyberskin is the newest favorite medium for making imitation cooze. "It's more realistic than watermelon," notes one manufacturer, "and less seedy."

Love Dolls

Throughout the ages, playing with dolls was not limited to girls. Horny guys have been rubbing their cocks against female effigies for as long as there have been woman-shaped artifacts. After the sexual revolution of the 1960s, the archetypal blow-up doll made of vinyl sheet plastic became popular; more recently, latex was used for higher-priced models. In the early 1980s, solid dolls known as "foamies" filled with a soft, spongelike material hit the scene. With the invention of the Realdoll in the 1990s, men finally had a solid, silicone woman they could maneuver into various sexual positions. They still won't swallow.

Getchell. Jean Walden thinks Realdoll owners are losers. "As far as the sexual experience goes, you have to remember you are dealing entirely with an inanimate glob of silicone, not a sexually stimulated female body," says the adult-store clerk. "[Realdolls] don't talk; they have no warmth or feelings. Anyone who fucks a doll must be hard up or can't get any. There has to be a massive loss of social skills due to excessive masturbation with a doll."

Getchell strongly disagrees with Walden and believes that women such as her probably feel threatened by the lifelike sex objects. "I personally do not think that men are going to lose any of their [social] skills or even libido by being around the dolls," says the doctor. "Women can't fully accept the idea that men finally may have something at hand that can satisfy their needs without full reliance on them."

Peter, the Realdoll enthusiast in Seattle, Washington, concedes to the stigma of sex-doll copulation. "If you ever get caught fucking one by a girlfriend, it's over," says Peter, whose current human partner is under the delusion that he only uses his dolls for photography. "I don't know any woman that would stay with a man she catches fucking a Realdoll. That's worse than cheating, because it's being a pervert in many women's eyes."

Peter believes a gender-based double standard is applied to sex-toy usage. "The only people you can talk to about them are your fellow Realdoll owners, which is too bad because, in reality, all they are is the male version of a vibrator. If I caught a woman masturbating with a vibrator, I wouldn't think anything of it, but for us, it's a whole different ball game."

Luckily for Peter, he doesn't care about women's anti-fuck-doll opinions. "I've had sex with two women and two Realdolls in the same day once, and I'd have to say that the dolls were slightly better. All of the Realdoll's cavities allow for deep—and I mean *deep*—insertions. When penetrated, a vacuum is formed inside a Realdoll's entries, which provides a powerful suction effect. Vaginal sex [with a Realdoll] is best described as being fucked and sucked at the same time. You can tit-fuck the Realdolls that come with big tits too, and it feels just like a real pair of tits."

"In the future, we will be able to make the perfect sex android."

Realdoll melons actually feel more like a pair of breast implants, which might actually bolster Peter's argument. As cosmetic surgery renders real women more and more fake, and technology makes silicone sex dolls progressively more realistic, eventually they may become indistinguishable from each other. Artificial Intelligence and robotics might make the dolls of tomorrow sexually perform exactly like a real woman—or perhaps even better.

"In the future, we will be able to make the perfect sex android," asserts First Android designer Mike Heinrich. "Every year, we will add more and more features." Andy2000 has an extensive list of options already available, including bionic hands that open and close to assist in a mechanical handjob, a licking tongue, vibrating lips and a head that nods while performing fellatio. One version of the doll even urinates.

Mark Maki, the creator of SuperBabes, is currently working on "the bucker," which will enable the SuperBabe's hips to move back and forth. Maki believes that the first fully functional androids will grow out of the sex-doll business as opposed to the toy and computer industry, because "we can already make a profit while we do it. People will spend more for a sex surrogate than they will for something that vacuums your floor."

Matt McMullen of Abyss Creations says he may integrate some robotics into his dolls within the next three years. "Basically, I want to bring computers and the dolls together," says McMullen. "It's going to be very interactive to the point where there is intelligence there. What we will have at some point is the ability to pick a personality to go with your doll."

Until then, many doll owners already favor their silicone companions' personalities over that of the typical female. Maki says that whenever he has suggested adding speaking capabilities to his anthropomorphic sex toys, SuperBabe fans protest, declaring that they prefer women who don't talk back.

Chester the mortician called his colleague Joe in to look at a newly arrived body.

"You've got to see this," urged Chester. "You know that good-looking blonde they just brought in? She has a shrimp stuck in her pussy."

"This I have to see," chuckled Joe.

After examining the body, Joe said, "That's not a shrimp, Chester."

"It's not? Well, what the hell is it?" asked Chester.

"It's her clit," said Joe.

"Well, it sure tastes like shrimp," Chester replied.

A man was sitting alone when a genie appeared and said, "What will your third wish be?"

The man said, "Huh?"

"You've had two wishes already," the genie explained. "Your second wish was that I put everything back the way it was. You have one wish left."

"Okay," grinned the man. "I wish that hot, horny 18-year-old girls who find me irresistible would surround me everywhere I go."

"Funny," said the genie, vanishing forever, "that was your first wish too."

"No, no. I want me them thar ones with pesticide," growled the farmer.

"Sir," the exasperated pharmacist explained, "*pesticide* is for killing insects; *spermicide* is for killing sperm. You want spermicide-lubricated condoms."

Flustered, the stewardess returned with the whiskey but forgot the businessman's coffee. He politely asked again for some coffee, and the parrot drained its glass, screeching, "While you're at it, fetch me another whiskey, bitch!"

Visibly upset, the girl returned with another drink for the parrot but blanked on the man's order again.

Irritated and egged on by the parrot, the man cried, "Look, you dumb skank, I asked for coffee twice. Are you going to get it, or do I have to slap you around?"

Moments later both he and the parrot were thrown off the plane by two burly security guards. As they walked back to the terminal, the parrot turned to the man and said, "Ya know, pal, for someone who can't fly, you sure are a lippy bastard."

Dead Lays

Leilah Wendell, a petite woman with raven hair and pale skin, considers herself an "occultist necrophile." Wendell prefers sleeping with the skeletal husks of the long departed, what she affectionately refers to as "moldy-oldies"—an unembalmed corpse in a state of complete decay. In other words, the bare bones. Wendell claims that some of these desiccated corpses have actually reanimated in her embrace, possessed by the infamous supernatural entity known as the Angel of Death or the Grim Reaper. "[Sex with corpses] is one of the ways that I am able to make love to Death himself in a more physical, tangible way," says Wendell.

At the age of 17, Wendell's necrophilic desires led her to gain employment as a morgue apprentice. When she was 19 years old, Wendell obtained a full-time job at a funeral home, which finally gave her the opportunity to have sex with a corpse.

Wendell's initial taste of necrophilia—the cadaver of a man who died in his 50s—was a little fresher than she had hoped for. "The first corpse I was intimate with wasn't that decayed, as I wasn't in a position that afforded me that luxury at the time," says Wendell. "He had been dead for only a few days and on ice at the morgue."

Wendell's fun-filled morgue-raiding days came to an abrupt end after a bizarre event ruined her career. The owner of the funeral home where Wendell worked had installed a walk-in freezer unit. There was only one body inhabiting the spacious cooler. "Like my previous lovers, the body had more or less been mummified," says Wendell. "I sat on the metal tray beside him, holding his withered hands to my heart. A gnarled hand clenched me, and I was drawn down to his cold, sweet lips. Both hands groped at my hair, then down my back until we were lying together, arms and legs entwined."

"The first corpse I was intimate with wasn't that decayed," says Wendell. "He had been dead for only a few days and on ice at the morgue."

Wendell looked up and saw the metal walls of the freezer unit contract and expand. Outside the funeral home, between the freezer room and the electric pole, the power lines were on fire. The heavy, steel door flung open, and she escaped the building. "The next thing I knew, fire engines and cops were everywhere," recalls Wendell. "I found out that half the town was blacked out. The walls of the freezer room were all bent in. The large hinges of the steel door were fused metal, and smoke filled the room. The funeral home was closed for repair, and I was laid off."

Although she was never blamed for the power outage, word spread that weird things happened wherever Wendell worked, and she was blacklisted from the close-knit death industry. "Hearse drivers love to gossip," explains Wendell.

Since the time of her mortuary banishment, Wendell has managed to turn her love of death into a business. Her current home is a museum and art gallery, located on Magazine Street in New Orleans, Louisiana. The Westgate Museum—or "House of Death," as her patrons fondly refer to the lavish gallery—is a restored Victorian home painted entirely purple and black. Much of the macabre artwork was created by Wendell, who is also the author of several death-themed books, including *Our Name Is Melancholy*, *The Necromantic Ritual Book* and *Encounters With Death*.

Wendell now visits local cemeteries to satisfy her morbid needs. Because much of New Orleans is located below sea level, bodies are buried above ground in mausoleums to ensure that the coffins don't move around when the soil becomes soft and wet. Luckily for Wendell, many of these mausoleums are decaying and easily accessible.

"I've often found that, during winter, the crypt is much warmer than the outside world, while quite the opposite in summer months," says Wendell. "The corpse itself is always cool. I won't say 'cold,' because the body is also affected by the climate it is exposed to. Of course, it is always cooler than my own flesh, but I enjoy the cold sensation against the warmth of my own flesh.

"The corpse being in a fairly deep state of desiccation, there is rarely, if ever, a penis; so lovemaking is [performed] by kissing, embracing, lying naked with the corpse and just about everything else except the act of copulation. Most of the time, the skin feels like wet tissue paper and smells like wet earth just after a rain, but there is also a distinctive aroma mingled with that scent that can only be experienced rather than described. It's almost like burning bay leaves."

Because most necrophiles practice

their kink in private, there is no hard data as to their numbers, but experts believe cadaver copulators make up less than 2% of all sexual deviants. Although necros are relatively rare, Wendell has found a like-minded friend in fellow corpse fucker Karen Greenlee. Unlike Wendell, Greenlee prefers her bodies freshly embalmed. In 1979, Greenlee was arrested after snatching a young male stiff from a Sacramento, California, funeral home where she was employed at the time. Greenlee—who enjoys 69ing corpses and rubbing her clitoris against her lovers' mortal remains—claims to have engaged in sex acts with 20 to 40 corpses during her numerous stints of mortuary employment.

While Greenlee's lust for dead bodies is more sexually explicit than Wendell's, there is competition between the two as to who has bedded the most cadavers. In addition to their erotic attraction to the dead, both women have worked in morgues.

Dwayne Spence, a spokesman for the National Funeral Directors Association, says that funeral directors and their employees operate under a strict code of ethics. "I do not know of any cases of funeral homes involved in that sort of activity," Spence claims.

Maybe so, but some carcass bangers claim that necrophilia is more prevalent in the death industry than people think and that the incidences just aren't reported.

In 1995, Lester Grant, an assistant pathologist at the Winthrop Hospital in Long Island, New York, was caught having sex with corpses at the Kings County morgue. That same year, Virginia funeral-home director Charles Colbert was also accused of fucking the deceased.

Only a handful of states have specific laws banning the humping of stiffs. Texas goes surprisingly easy on necros; sex with the dead is a mere class-A misdemeanor.

Necrophiles who don't have death-related jobs often break into mortuaries looking for love. A 20-year-old homeless man stabbed two funeral-parlor caretakers to death at the Jarzembowski Funeral Home in Detroit, Michigan, after the employees attempted to put an end to his corpse-fucking session.

On September 17, 1995, 24-year-old Phares Gonzales and 23-year-old Brandon Christopher (the great-nephew of former Secretary of State Warren Christopher) broke into the mortuary at Forest Lawn Memorial Park in Hollywood Hills, California, and allegedly had sex with two female corpses—one in a casket and the other in a preparation room. According to reports, the two men told detectives that they were trying to contact the dead via a Ouija board. Because necrophilia was not a crime in California at the time, the two men were charged with breaking and entering and stealing computer chips from the building.

Although most of American society considers sex with the dead abhorrent and extremely taboo, only a handful of states, including Texas, Georgia, Rhode Island, Arizona, Florida and Iowa, have specific laws banning the humping of stiffs. Texas goes surprisingly easy on its necros; sex with the dead in the Lone Star State is a mere class-A misdemeanor. Other states impose much harsher penalties on their convicted cadaver slammers. In Rhode Island, fucking the dead is considered an act of first-degree sexual assault punishable with a fine of up to $10,000, along with a possible ten-year stay in the pen.

In 1994, Alice Nichodemus died at the age of 68 of bone cancer, only to have her cadaver molested in a Des Moines, Iowa, funeral home. Although the family reached an undisclosed settlement with the mortuary, police had no law to charge the perpetrator with. Relatives of Nichodemus pressured their state lawmakers and, in 1996, Iowa legislators made sex with a human corpse a class-D felony that carries a maximum sentence of five years in prison and a $7,500 fine. "[Necrophiles need to be] removed from the street; so they're not wandering around free to do this," said Democratic State Senator Elaine Szymoniak at the time of the law's creation.

In June 1995, after being grounded by his mother, 17-year-old Aaron Moore bludgeoned his mom to death with the help of his friend, David Baity. Baity then fucked the corpse before dumping the body down a well. Tallahassee, Florida, police wanted to charge Baity with the additional crime of necrophilia, but sex with the dead in the Sunshine State was not yet illegal. The Florida Senate responded by unanimously passing a law making cadaver copulation a

Dead Lays

crime. Unfortunately for Floridian corpse lovers, there is no powerful, pro-necrophilia lobby to stand up for their right to fuck whoever they want, regardless of race, gender or pulse.

John Pirog, of Warren, Michigan, openly advocates the legalization of coitus with carcasses. In early 1995, Pirog began publishing *The NecroErotic*, the world's first bulletin for necrophiles. A typical issue of the fanzine included death-scene photos, grave-robbing news and essays on infamous personalities who Pirog considers pioneers in the art of corpse fucking (e.g., Ed Gein, the inspiration for *Psycho* and *The Texas Chainsaw Massacre*). The publication also featured a special "Viewings" section where Pirog detailed his "own personal accounts of funeral-home visits during business hours."

While Pirog has participated in several touchy-feely sessions with corpses, he admits he hasn't yet actually engaged in full-on intercourse with a human carcass. "Most bodies buried in my area are encased in large, metal vaults that are impossible to break into without heavy machinery," Pirog laments. "Funeral homes tend to have alarm systems as well, and actually becoming a mortician or embalmer is a time-consuming and expensive process. I've tried advertising—both online and in various underground publications—for years now, hoping to find a funeral-home worker or grave digger who would allow me rented access to a corpse, but so far there have been no takers."

Pirog believes that society would benefit if sex with the dead were legalized and easily available. "Rejection and involuntary abstinence are great sources of frustration," says Pirog. "Allowing people to use cadavers for sexual gratification would go a long way toward reducing, or even eliminating, these feelings of exclusion on the part of those who cannot obtain sexual satisfaction with a living partner because of innate shyness, inadequate social skills or unattractive looks."

Pirog advocates the creation of corpse brothels as a "healthy" alternative for pedophiles. "They could visit these locations and have sexual intercourse with the dead shells of young people."

Pirog advocates the creation of corpse brothels as a way to give pedophiles and rapists a "healthy" alternative. "Persons who ordinarily would attempt to gain sex via violence could visit these locations and have sexual intercourse with the dead shells of young people," says Pirog. "Even the most rabid social worker or religious fanatic would be forced to conclude that it is impossible to harm a corpse."

Wendell thinks Pirog and his ilk give necrophilia a bad name. "Once people realize those who idolize Jeffrey Dahmer and Ted Bundy are not necrophiles, but seriously disturbed [potential] killers, only then will the true necrophiles feel at ease to speak without having that label applied to them," says Wendell. "Necrophilia, as a term, has always been assimilated with sociopathic behavior and the like. That is the problem that I have spent years trying to eradicate. If you can have an intelligent discussion with a mature, balanced individual, then more people will get the facts about what necrophilia really is. They'll realize that most necrophiles aren't going to parade around with a big badge on their head that says, 'Look, I'm trying to impress you with my perversion.' This is juvenile behavior. All one has to do is go to John Pirog's Web site, and you will see why necrophilia should not be legalized at this point in humanity's immaturity."

Red, a self-professed necrophile, also uses the World Wide Web to spread his pro-sex-with-the-dead message. The 22-year-old student takes credit for authoring "The Guide to Necrophilia," a document posted on the Internet. Red says he wrote the article simply because "necrophiliacs don't have much of a voice." Red claims to have had sex with four corpses. "The bodies were all quite fresh" because, according to Red, his necrophilic adventures were facilitated by a mortician friend.

"Porking the bones," as Red refers to sex with rotted corpses, "really doesn't hold much appeal for me. I prefer the experience to be as easy and as realistic as possible. I fuck whatever fits the mood: pussy, ass, tits, mouth, whatever. It's a pain trying to squeeze the tits together for a decent tit-fuck. If you want a great blowjob, then lubricate your partner's mouth, lock it to your preferred width, insert and go for it!"

"It would be very difficult to actually have someone [who is dead] perform head on you, because usually the mouth is almost closing, and that's very, very firm," counters Vidal *(continued on page 106)*

Dead Lays

(continued from page 96) Herrera, a freelance autopsy technician and founder of 1-800-Autopsy, a company that provides various postmortem services. "Sometimes it's almost impossible to open the mouth, and when a body's placed in the mortuary and the body's embalmed, they usually wire the mouth shut. You're just going to get teeth."

Herrera explains that the rigidity of a corpse depends on how much time has elapsed since the original owner's death and whatever procedures have been performed on the body. "Rigor mortis sets in immediately after death and will usually dissipate after 24 hours," says Herrera. "Within 48 hours, rigor mortis is gone, and the body is just as limp as if someone has just fallen asleep, and decomposition will set in. Once the body is embalmed, it is stiff because of the embalming fluid.

"[Dead] women usually do have vaginal secretions, but not enough to accommodate a man to have prolonged sex," adds Herrera. "She'll eventually dry up."

An arid pussy is probably the least of a potential necrophile's concerns. Speaking on the condition of anonymity, a woman whose job puts her in contact with the recently deceased notes that screwing the dead is high-risk behavior. "[When handling corpses], my primary concerns are HIV and hepatitis," she says. "We practice what is known as 'universal precautions.' These include wearing gloves, eye protection and masks. There are also concerns about coming in contact with other types of fluids from fresh bodies—urine, saliva, whatever. All of these things are big hazards of a nonembalmed body."

Trular's ultimate dream is to fuck his wife after she dies. "That's the final gift of love. It's not burying her with the wedding ring or grandma's old necklace; it's leaving your 'love' inside her forever."

The health-care worker recalls seeing only one necrophilia-related incident while at work. "At a mortuary, I saw a male mortician feeling the chest of a female corpse." Nonetheless, she notes, "Most morticians I've met work alone with the dead all the time and can be a bit odd."

Professional profiling aside, every necro seems to have his or her own reason for engaging in corpse love. "I've always been physically repulsed by the heat of another living body," says cadaver-cradler Wendell. "I've been that way since childhood. [I] never liked getting hugged, or the smell of the living."

Dr. Julie Medlin, a psychologist who specializes in sexual deviancy and founder of the Medlin Treatment Center in Marietta, Georgia, once treated a man who would read the obituaries to learn of recent deaths and then dig up the graves to fuck the relatively fresh bodies. Medlin believes that many necrophiles only have sex with corpses because they "want to have a completely passive partner who cannot reject them."

Although Rob Trular (a pseudonym) has a loving wife, he dreams of making love to dead, or at least unconscious, females. He fantasizes about kissing every inch of a limp body, performing oral sex on it and "coming into every orifice."

Trular, a fortysomething professional living in a suburb of a large Midwestern city, is a father of three and has been happily married to his high-school sweetheart for 25 years. For the past three years, Trular has spent his free time running Rob's Necrophilia Fantasy, a popular Web site among Internet necros. Trular started the site "simply to meet others who have the same interest, compare fantasies and make some friends along the way."

Although he has never had sex with a corpse, Trular enjoys necrophilic role-playing with his wife. "She has tried to accommodate, much to her credit," says Trular. "But she'd never win an Oscar."

Trular's ultimate dream is to fuck his wife after she dies. "That's the final gift of love, folks. It's not burying her with the wedding ring or grandma's old necklace that makes the difference; it's leaving your 'love' inside her forever."

While most necros have never met their lifeless sex partners and seem to use them only as objects to fulfill their sexual needs, at least one Brazilian man put Trular's philosophy into practice and fucked a corpse in the name of love. In 1994, a few days before Roberto Carlos da Silva and Raquel Cristina de Oliveira's wedding date, the bride-to-be fell off a motorbike da Silva was driving and died. Three months later, 21-year-old da Silva dug up his deceased fiancee—who was buried in her wedding gown—and made love to her. He told a local news agency, "I was desperate and needed her."

For some people, "Till death do us part" is merely a suggestion.

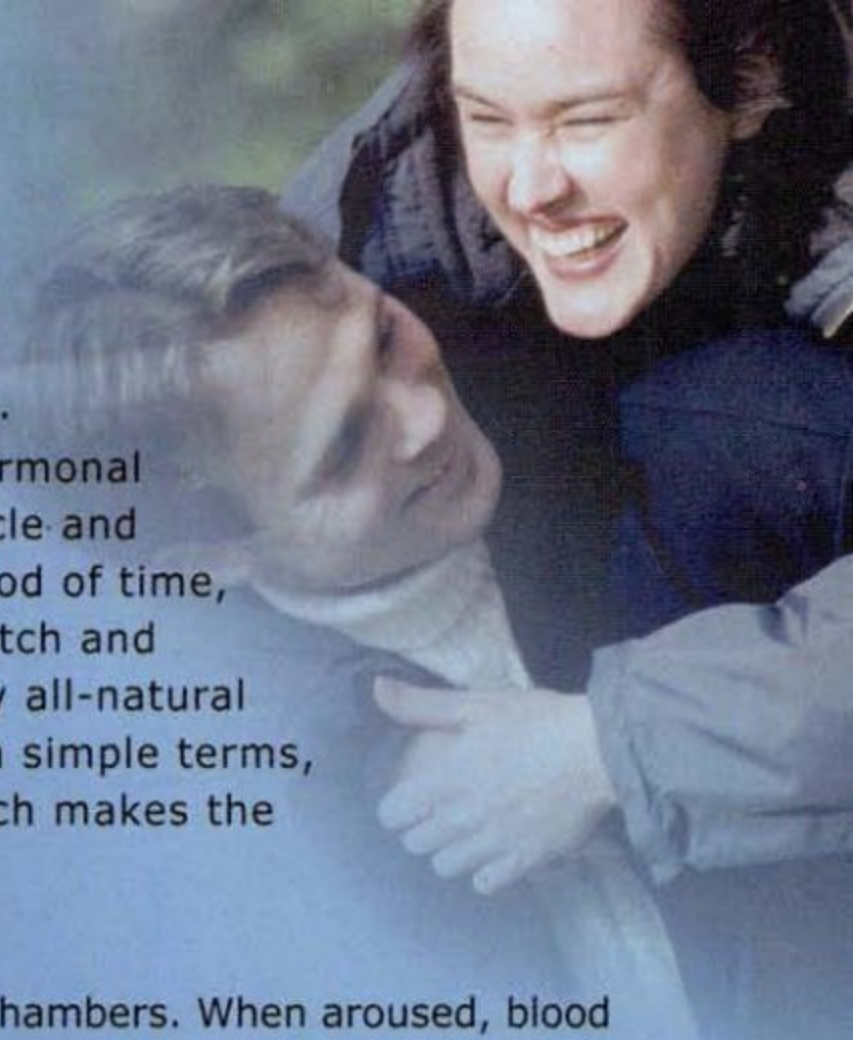
Natural Male Enhancement

ENZYTE™



Medical and Scientific Breakthrough

Enzyte was developed by Dr. Fredrick Thomkins, a physican with a biology degree from Stanford and Dr. Michael Moore, a leading urologist from Harvard. The two collaborated for 13 years studying human blood flow. They concluded that with the right hormonal stimuli, blood can be forced into muscle and tissue chambers, and that over a period of time, these chambers will substantially stretch and elongate.The result is the world's only all-natural supplement for male enhancement. In simple terms, Enzyte is a blood flow stimulator, which makes the most of your natural potential.

"Of course I was skeptical, but the results are phenomenal Enzyte is the real deal!"

S. Hamilton
Louisville, KY

How it Works

The penis is made of two erectile tissue chambers. When aroused, blood flows into these chambers, producing an erection. The more blood that is pumped into them, the larger you will be. The active ingredients in Enzyte naturally push more blood into the chambers. Over time, as the chambers stretch, more and more blood will be pushed in, creating substantial growth in both length and roundness. Over the the course of the 8 month program, your erectile chambers, as well as your penis, will enlarge up to 41%.

The first all-natural male enhancement program that adds one to three inches to your size in just eight months or get double your money back.*

"Absolutely unbelievable! I would recommend it to anyone."

J. Grossman
Chicago, IL

Maximize your love life

In a recent survey, 87% of women secretly revealed that they wouldn't mind if their partner had added size. **Enzyte can take you there.**

"He is much more confident, it's just so sexy."

L. Kincaid
Toledo, OH

100% Safe with a 98.3% Success Rate*

Enzyte is as safe to take as a daily vitamin with absolutely no side effects. Simply take two capsules each morning.

Results Guaranteed*

Try the 8 month enzyte program and if you're not completely satisfied, we'll send you double your money back.

*Success rate based on returns - completed refund packet required.

Hot Letters

A fiery jet of white-hot cum exploded against Stephanie's chin. Successive pulses sent jizz up her nose, in her eyes and into her hair.

(continued from page 51) time he finished, my wife had been glazed from the crown of her head to the base of her neck. I'm not exaggerating. Pendulous globs hung down to her tits.

Terrell went to find a towel. While he was gone, I fucked my wife, keeping my distance from her gluey face. When my neighbor returned, I said, "Leave the towel."

I pulled out and pointed my pud at her mouth, but my frosted blonde would not open for me. Undeterred, I added to the mess between her closed eyes.

We cleaned up; my wife paid for the smoke and Terrell told us the weed would be free next time if we could do that again. Steph and I went back twice before we left Denver, and if we ever move back, we'll look him up.

—S. D. R.
Houston, Texas

Tater Twats

My friends at the bar know I'll do anything on a bet. Luke pours my drinks; so when he says, "Cindy, I bet you ten bucks you won't show your tits," I walk away richer, and with an extra shot of Cuervo in me.

I'm 23, and I look great. I used to drink too much—when I started coming to the Post and Paddock, they'd end up booting me out on my sloshed keister—but I've matured. I still have my shoulder-length, brown hair and the ass of a much younger girl. If I go out somewhere else, they always card me.

I don't know how the conversation turned to pussy elasticity one evening. Kelly, who says she's 30 but looks older, was on a stool, claiming that precise muscle control was more important than having a small fuckhole.

Danny, who was playing pool with his brother Neil, yelled over, "It better be, Kelly, 'cause you sure ain't tight."

That was kind of low, I thought, but Kelly isn't the type to burst into tears. She grabbed a drink stirrer and dropped her panties—the Post is a casual place on weeknights. The older girl stepped off her stool and slipped her hands under her skirt, which she then flipped up to show us all the little strip of red plastic was jammed in her pussy.

"Cindy," Kelly said, almost like a warning, "try to pull it out." Her sloppy cunt was neatly trimmed, but I wasn't about to go near it.

"I'll give you $20 if you do," Kelly winked. Well, that's practically the same as a bet, even if she didn't say "I bet" anything; so I didn't have a choice.

I expected to slide the stirrer right out, but the middle-aged gal had a good vaginal grip. The bar's handful of patrons gasped as I tugged and changed my grasp, unable to remove the swizzler. Kelly gritted her teeth, but I couldn't see any other evidence that she was even trying that hard.

"See, Danny?" the clenched exhibitionist grinned. "If your little red stick was as big as this one, I'd have been plenty tight for you."

That brought a laugh, but I still had my $20 to win; so I whacked Kelly's stirrer with the heel of my palm, driving it deeper into her soft tissues. My move made her yelp and let go of the plastic twig; so I collected my money.

I bought the older gal a bourbon on the rocks with my winnings, and we talked about the strangest stuff we ever stuck in our slits. Luke stood by behind the bar, listening and throwing in his opinion.

"I can jam a baked potato in my pussy," Kelly swore, "and have it come out mashed."

I just had to say it: "I can put one in, and take it out again—whole."

I guess they knew I was boasting, because Luke said, "Bet a hundred you can't" without blinking.

"Me too," Kelly chimed in. "Another 20 bucks."

Of course, the smart money was against me. This wasn't a question of nerve, like flashing my jugs, but of skill.

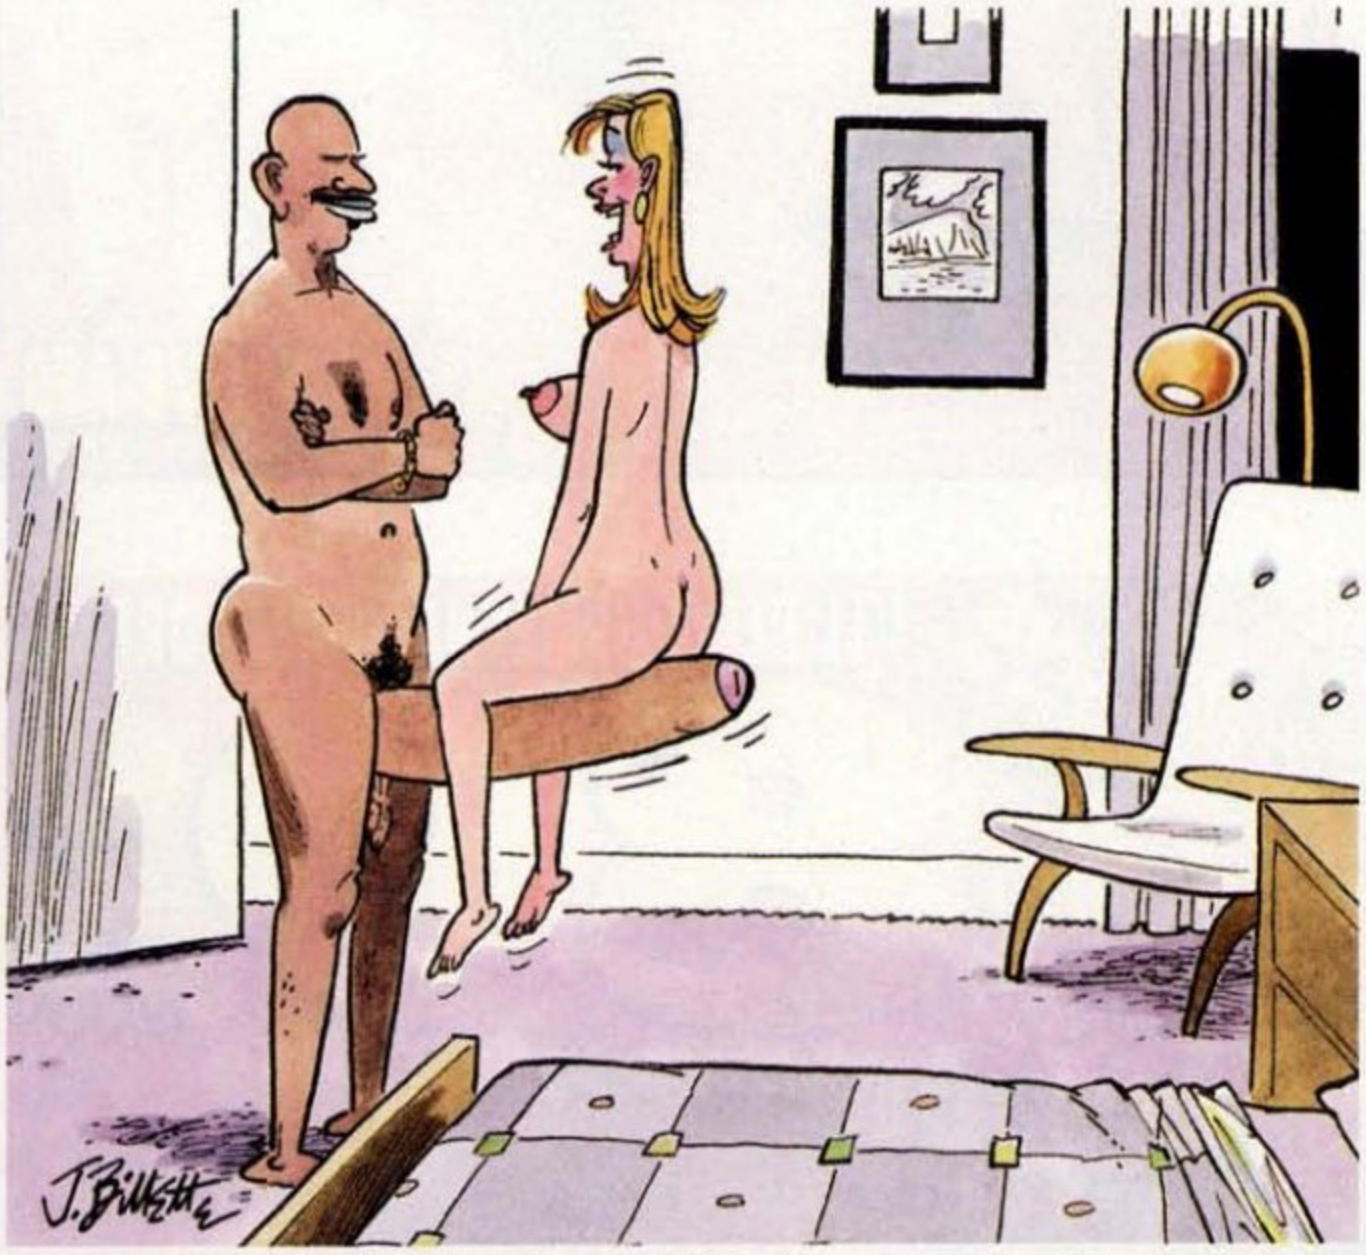
"Bet," I said, my voice cracking slightly.

We drank some more; I was hoping they'd forget about our wager, but a few minutes later, the microwave under Luke's bar dinged and I was face-to-face with a small plate, which held a spud the size of Idaho, and little paper cups of butter and sour cream.

"Okay," I huffed, touching the steaming tuber. "I need to go into the bathroom to do this."

The bartender looked disappointed. I didn't like the way Kelly looked at me when she volunteered to come with, but I couldn't deny her right to verify my stunt.

The middle-aged lush picked up the plate and led me into the gritty, one-seater girl's room. She flicked her cigarette into the toilet and closed the lid. I sat down and dutifully (continued on page 121)



"I used to believe that whole black thing was just a myth!"

Kelly pumped her clenched mitt in and out of my pussy until my insides were relaxed like jelly. I came a third time, blasting clear fluid out around her hand.

(continued from page 112) dropped my jeans and underpants.

Kelly knelt in front of my crotch. "We should let the spud cool down, huh?" she said, poking my pursed cunt flaps with a press-on nail.

I began to wonder about Kelly when she ran her tongue across my petals without any encouragement from me, then jammed her middle finger in deep. I was shocked by her forwardness, and her whiskey breath, temporarily unable to respond. My pussy's opinion of her efforts was immediately clear though; my nether lips moistened and made greedy smacking sounds against her digit by the third thrust.

"*Mmm,*" the older gal moaned, withdrawing her finger and replacing it with her mouth to suck out my pussy juice. Her slutty, red lipstick scrubbed off on my brown fuzz patch and left my quim even rosier. I'd been through this scenario a hundred times with the guys at the bar, but never with a girl—and never this close to sober. I yelped when Kelly's teeth banged into my clit; without enough booze in me, it felt like she'd hit my funny bone.

I spread my knees and tilted my cunt upward to fuck Kelly's face better, grabbing the back of her head. The cunning carpet-muncher looked up and smiled, slipping two fingers up my tunnel.

"You're going to win the money, girlie. I'll show you how."

A hundred and twenty! I've never felt anything more powerful than Kelly's probing fingers trying to widen my aperture while images of cash flickered through my head. I lowered my face to meet hers. The kiss tasted of stale bourbon and aroused pussy. The combination was delicious.

The toilet tank was giving me a crick in my back; so I slid onto all fours and presented my opening to Kelly's practiced hands. When she stuffed two fingers from each hand in me, I came convulsively, hanging onto the commode to steady myself. I shuddered like a car that kept running after the engine was off, focused entirely on my ally's right hand cramming all the way into my gash. Her long, fake nails pricked at my G spot when she closed her hand into a fist, setting me off again.

"Come on, girl," Kelly coaxed, "fuck it wider." She pumped her clenched mitt in and out until my insides were relaxed like jelly and rattled her fist against my syrupy walls like she was shaking dice. My crotch pocket reflexively contracted around the hand. My face thudded against the grimy floor as I came a third time, blasting clear fluid out around her hand, to my surprise.

While I caught my breath, Kelly slipped her paw out of my slit with a shockingly quick, wet *slurp* and grabbed the still-hot spud.

I'd never used a heated tool of any sort down there, and this was toasty, all right. The potato was bigger than Kelly's fist, but oblong, because it was a baker. The hot object was less sturdy, also; so there was still work to be done.

I managed to squeeze the side dish about a third of the way up my stretched passage, but it hurt to go any further.

"*Dammit!*" I cried. "It's stuck—and it's *hot!*"

"Just wait, hon," Kelly shushed, dotting the butter and sour cream around my sore labes to lubricate and soothe me. Some of the sour cream found its way into the older girl's yap as she lapped at the ring of fiery tissue, taking care not to damage the baked potato.

I felt a cooler, gooey sensation on my asshole; Kelly was rimming me with the sour cream on her tongue. I don't know whether she was hoping to dilate my honey-hole further or make me come again; maybe she was just taken by the novelty of licking the monkey-button of a girl who had a two-pound tuber lodged in her steamy pocket.

Kelly was right; as we waited, the heat did relax my sore flesh just a bit more, and I felt a wave of pride and pain as she shoved my spud in past the midway mark. It was easy going after that. Kelly sent the potato home with a final thrust and threw the door open.

"Here it comes!" she yelled, and I heard Luke, Danny and Neil's footsteps.

"Where? I don't see—" Luke said.

Kelly shushed him and stroked the small of my back. "One big push, Cindy," she coached. "You can do it."

My birth canal greased by the butter and three orgasms, I squeezed that baker out so hard it broke into pieces—but only after it hit the floor a few feet away.

I never heard so much cheering at the Post in my life—even though there were only four people applauding. Of course, I gave Kelly her 20 and half of Luke's hundred. We bar bitches should always stick together. —C. N.

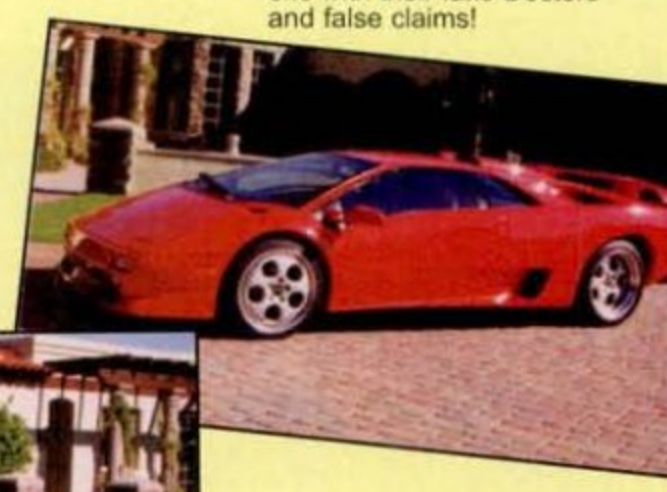
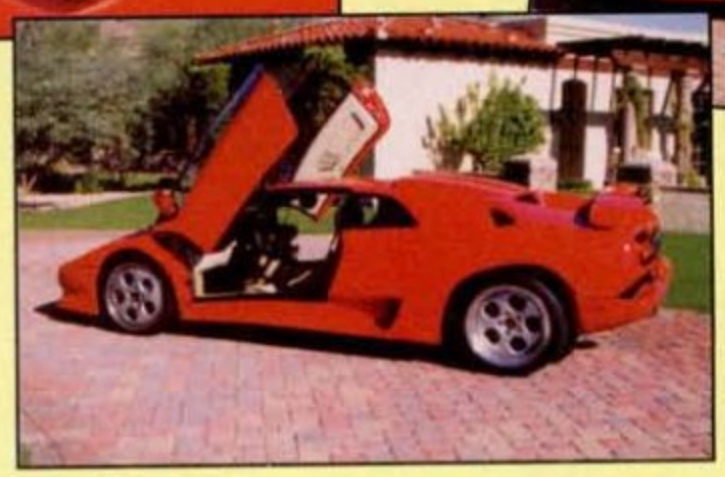
Use Longitude And Win My Lamborghini Diablo!

Longitude- The Original Penis Enlargement Capsule- Don't get ripped-off by knock-offs with their fake Doctors and false claims!





Actual Car In Photos

This Lamborghini has got me more women than I could handle. They just seem to flock to it. It is an incredible machine!

My Lamborghini Diablo is the "SV" model, which is even quicker than the "VT" model. The "SV" blasts from 0 to 60 in just 3.8 seconds and it's still in first gear! Top speed is 200mph!

I'm a car fanatic, so you be assured the car is in "mint" condition. It's a 1998 model with just 3000 miles on it. Not a scratch, ding, or dent. You couldn't tell it from a brand-new one.

My friends say that I'm crazy to give this Diablo away, but I think it'll make a great promotion for Longitude- The penis enlargement capsule that I've created and many try to copy.

Here's how the "Win My Lamborghini" promotion works:

This promotion is valid only to US Residents and you must be at least 18 to participate.

The car will be awarded to the man with the most drastic results using Longitude. Basically, whoever grows the most regardless of total size, wins my prized Lamborghini.

Simply read my ad on the next 3 pages and order a risk-free bottle of Longitude. When the bottle arrives, fill out the entry form and take a few "Before" photos in an erect state.

Keep taking Longitude until you are satisfied with your new growth, then stop. Take a few "After" photos, this time you'll be a lot larger.

Then, simply drop the Before and After photos in the mail along with your entry form. All entries must be received no later than September, 30th, 2002.

My group of judges will review the hundreds of thousands of entries and pick a winner. They'll review the photos for maximum growth percentages and they'll make sure the photos haven't been altered. So, no cheaters please.

That's it. If you're the lucky winner, I'll remove my tags and personal belongings from the car, have it detailed, and shipped to your door at my cost.

I'll also make sure to remove the g-string underwear I found last week underneath the passenger seat.

There's no additional fee to enter this contest, except for the price of the product.

It doesn't matter how long you take Longitude. Two, Three, Four months, or you can go until the September 30th deadline. It's up to you. Just make sure your entry form gets to me no later than September 30th. And the winner is the man with the largest growth from start to finish- not who is simply the largest.

The winner will be notified 2 weeks after the deadline, and then the car will get shipped on it's way to your home.

When the truck pulls up, he'll unload the car, hand you the title and keys then take a quick snapshot of you and the car. Then the car is yours forever!

Can you think of a better way to show women the "new you"? My Lamborghini will get you so many women, you won't believe it! That car has landed me models, strippers, even a famous actress- seriously.

This Diablo game me hundreds of opportunities to show women the results Longitude gave me. Now the car can be yours.

The Ultimate Car, The Ultimate Product. Order Longitude risk-free on the next page and who knows... you may be the new owner of my Lamborghini! Good Luck!

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

<u>100% Natural & Safe LONGitude Will</u>:

<u>Here's What You Can Expect To Happen Taking LONGitude</u>:

<u>Week 1-3</u>: Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.

<u>Week 4-8</u>: Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.

<u>Week 9+</u>: Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - <u>no matter how hard he tried</u>!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are <u>NOT HAPPY WITH AVERAGE</u>!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

<u>Try LONGitude without risk... here's how</u>:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

<u>You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING</u>!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

<u>How Can We Be So Generous</u>?

Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,

Josh Bowens

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Dr. Joel Kaplan, a diplomat at the American Board of Sexology in Washington, D.C., states "When the first airtight vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue expands to the maximum, breaks down, and then rebuilds into larger and stronger muscles, similar to body-building."

Surgeries are costly and dangerous! Cock rings are temporary! The New European Growth System is the only answer when it comes to penis enlargement and maximum stimulation! Don't spend another night with a small dick! Act today & be big tomorrow!

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

Save the Lap Dance for Me

The Twisted Truth About Dating Pole Polishers

by Erich Krauss

Illustration by Randy Saba

Chris, a 29-year-old law student from Redding, California, picks up his girlfriend, Sara—a/k/a Honey—from the notoriously sleazy gentlemen's club where she works. While the 19-year-old, athletic blonde counts her take in the passenger's seat from a night of bump-and-grind, Chris notices she's collected an exceptionally large wad, what looks to be well over a thousand dollars.

How does she make so much money from broke-ass field workers? Chris wonders.

Picturing the girl he loves sliding her G-string to the side in one of the secluded lap-dance booths and planting her twat on a customer's sausage, Chris devises a scheme. He pulls into an abandoned lot and parks in a dark corner.

"What are you doing?" Sara asks as the future lawyer tugs at her meager clothing.

"I want to be inside you."

"But you know the rule—not until I take a shower. I'm all sweaty."

Knowing he can't delay, Chris appeals to Sara's ego. "But, baby, you look so hot tonight; I can't wait." Flattered, Sara agrees, and the two proceed to the backseat, where the sweat-drenched stripper leans back, pulls off her thong and spreads her legs.

Chris feels nauseated as he looks at the woman he has been totally faithful to gaped like the Grand Canyon, her cunt lips puffy and red. When Chris accuses Sara of screwing around on the job, she adamantly denies the charge, just before another man's semen dribbles out of the dancer's loose snatch. After fucking her one last time, Chris tells Sara that their relationship is officially over.

* * *

While many men drool over the prospect of dating a supple, young gal who knows how to wring her hips and has few, if any, inhibitions, Steve Hamilton, a 30-year-old insurance salesman who frequents Houston, Texas, topless bars, has finally given up on courting stripper chicks after two disastrous relationships with dancers.

"It always starts out great," says Steve. "They let me stick it wherever I want. I can tie them up and spank them, and one even let me piss on her."

On the downside, the girls' serious emotional problems were enough to drain the blood from Steve's shaft. "The first one [I dated] would always grow quiet after sex," recalls Steve. "I'd make the mistake of asking what was wrong, and she'd tell me how she was molested by half her damn neighborhood as a kid. That was the last thing I wanted to hear after I'd just come on her face."

Christina, a dancer at three different nude clubs in Portland, Oregon, says that, when she was eight years old, she too was molested. Now 23, Christina believes her traumatic past has seriously affected her intimate relationships. "Every orgasm I've ever had, I've faked," confesses the stringy-haired ecdysiast. "I'm not the only one; a lot of girls in the club can't come. I know it's kind of warped, but sex for us is a tool to get what we want. It's not our fault; we were taught that by the sickos who decided to stick their hands in our panties when we were nine or ten."

According to Sacramento, California, psychologist Henry Dilaro, almost every woman who takes her clothes off for money was either abused or neglected as a child. "They were taught at an early age that their body was an object of desire and, if handed over, could award them with attention," explains Dilaro. "As these girls blossom into womanhood, they often harbor a deep resentment toward men. At the same time, they depend on men for validation. In cases of neglect, they often find themselves starved for male attention and will go so far as to plead for this attention with their bodies."

While this neediness translates into an easy, up-for-anything lay, it can also result in infidelity. Because a stripper's self-esteem is often dependent on her belief that men find her desirable, the more guys she fucks, the better she feels about

"Yes, sir. I think having stun guns in the cockpits of jet airliners is a damn good idea!"

"If you are going to date [a stripper], you better bang her right and give her the abuse she is looking for. If you don't, she'll walk all over you."

herself. This deep-seated propensity for sleeping around, coupled with the hustling mentality inherent in the profession, can be disastrous for the mook who "lucks out" by landing a stripper girlfriend.

"Once, I gave my boyfriend genital warts. Before he could say anything about it, I accused him of giving them to me," says Tracy, a topless dancer at Shotgun Willie's in Glendale, Colorado, who claims she can't even count the number of times she has been unfaithful. "I told him he better pay for my new breast implants or I'd break up with him and tell everyone he was diseased."

Dave Miller, who owns a topless bar in northern California, says all his girls are money-grubbing, expert bullshitters. "One night, one of my foreign girls convinced this customer she was shaking her ass to free her falsely imprisoned brother back in Russia or someplace. She got, like, a thousand bucks from the guy."

Many stripteasers feel no qualms about applying their sharklike workplace skills to their personal relationships. "Alison made me feel like a million bucks, telling me how good I was in bed and how big my cock was," says Brad, a 29-year-old stockbroker. "When we'd go out, she'd make me buy her things. She knew just what to say and always got the money out of me. Three months into the relationship, I visited her club and heard her telling her regulars the same bullshit lines she told me. When I confronted her, she just laughed. I wanted to fucking kill her. I realized she thought of me as nothing more than a customer, and I had already spent ten grand on her."

"I knew my girlfriend was a stripper when I met her," says Eric, a 25-year-old carpenter living in Las Vegas, Nevada. "My only intention was to bang the hell out of her. The thing was, she banged better than any girl I'd ever had. The longer I dated her, the more I liked her. The more I liked her, the more I wanted to save her. Before I knew it, I was in over my head."

Eric spent more than $2,000 on therapy for his girlfriend, but she refused to stop spreading her ass for cash. "During the sessions, she'd always say, 'I'm just doing it for the money,'" Eric recalls. "So I called her bluff and gave her half my savings to get her on her feet. She quit, and I thought everything would be fine. The next week, I took her to a party and, after a few drinks, she had taken off all her clothes. She was pouring beer off her crotch into some other stripper's mouth, and this sleazy guy was filming it. When I tried to put a stop to it, I got my ass kicked."

Randy Burnett, a 30-year-old journalist from San Jose, California, also had hopes of "saving" his stripper girlfriend. "My ex started dancing the day she turned 18, and I met her shortly after," says Randy. "I thought she was young enough [that] I could keep her from falling into the pit of shit most dancers fall into. I was wrong."

Soon, Randy's girlfriend was fucking guys at the club for money and drugs.

"I put up with eight months of little sex, having her come home all cranked out and picturing her with other guys. Then, one day, she came home and told me that she was a lesbian."

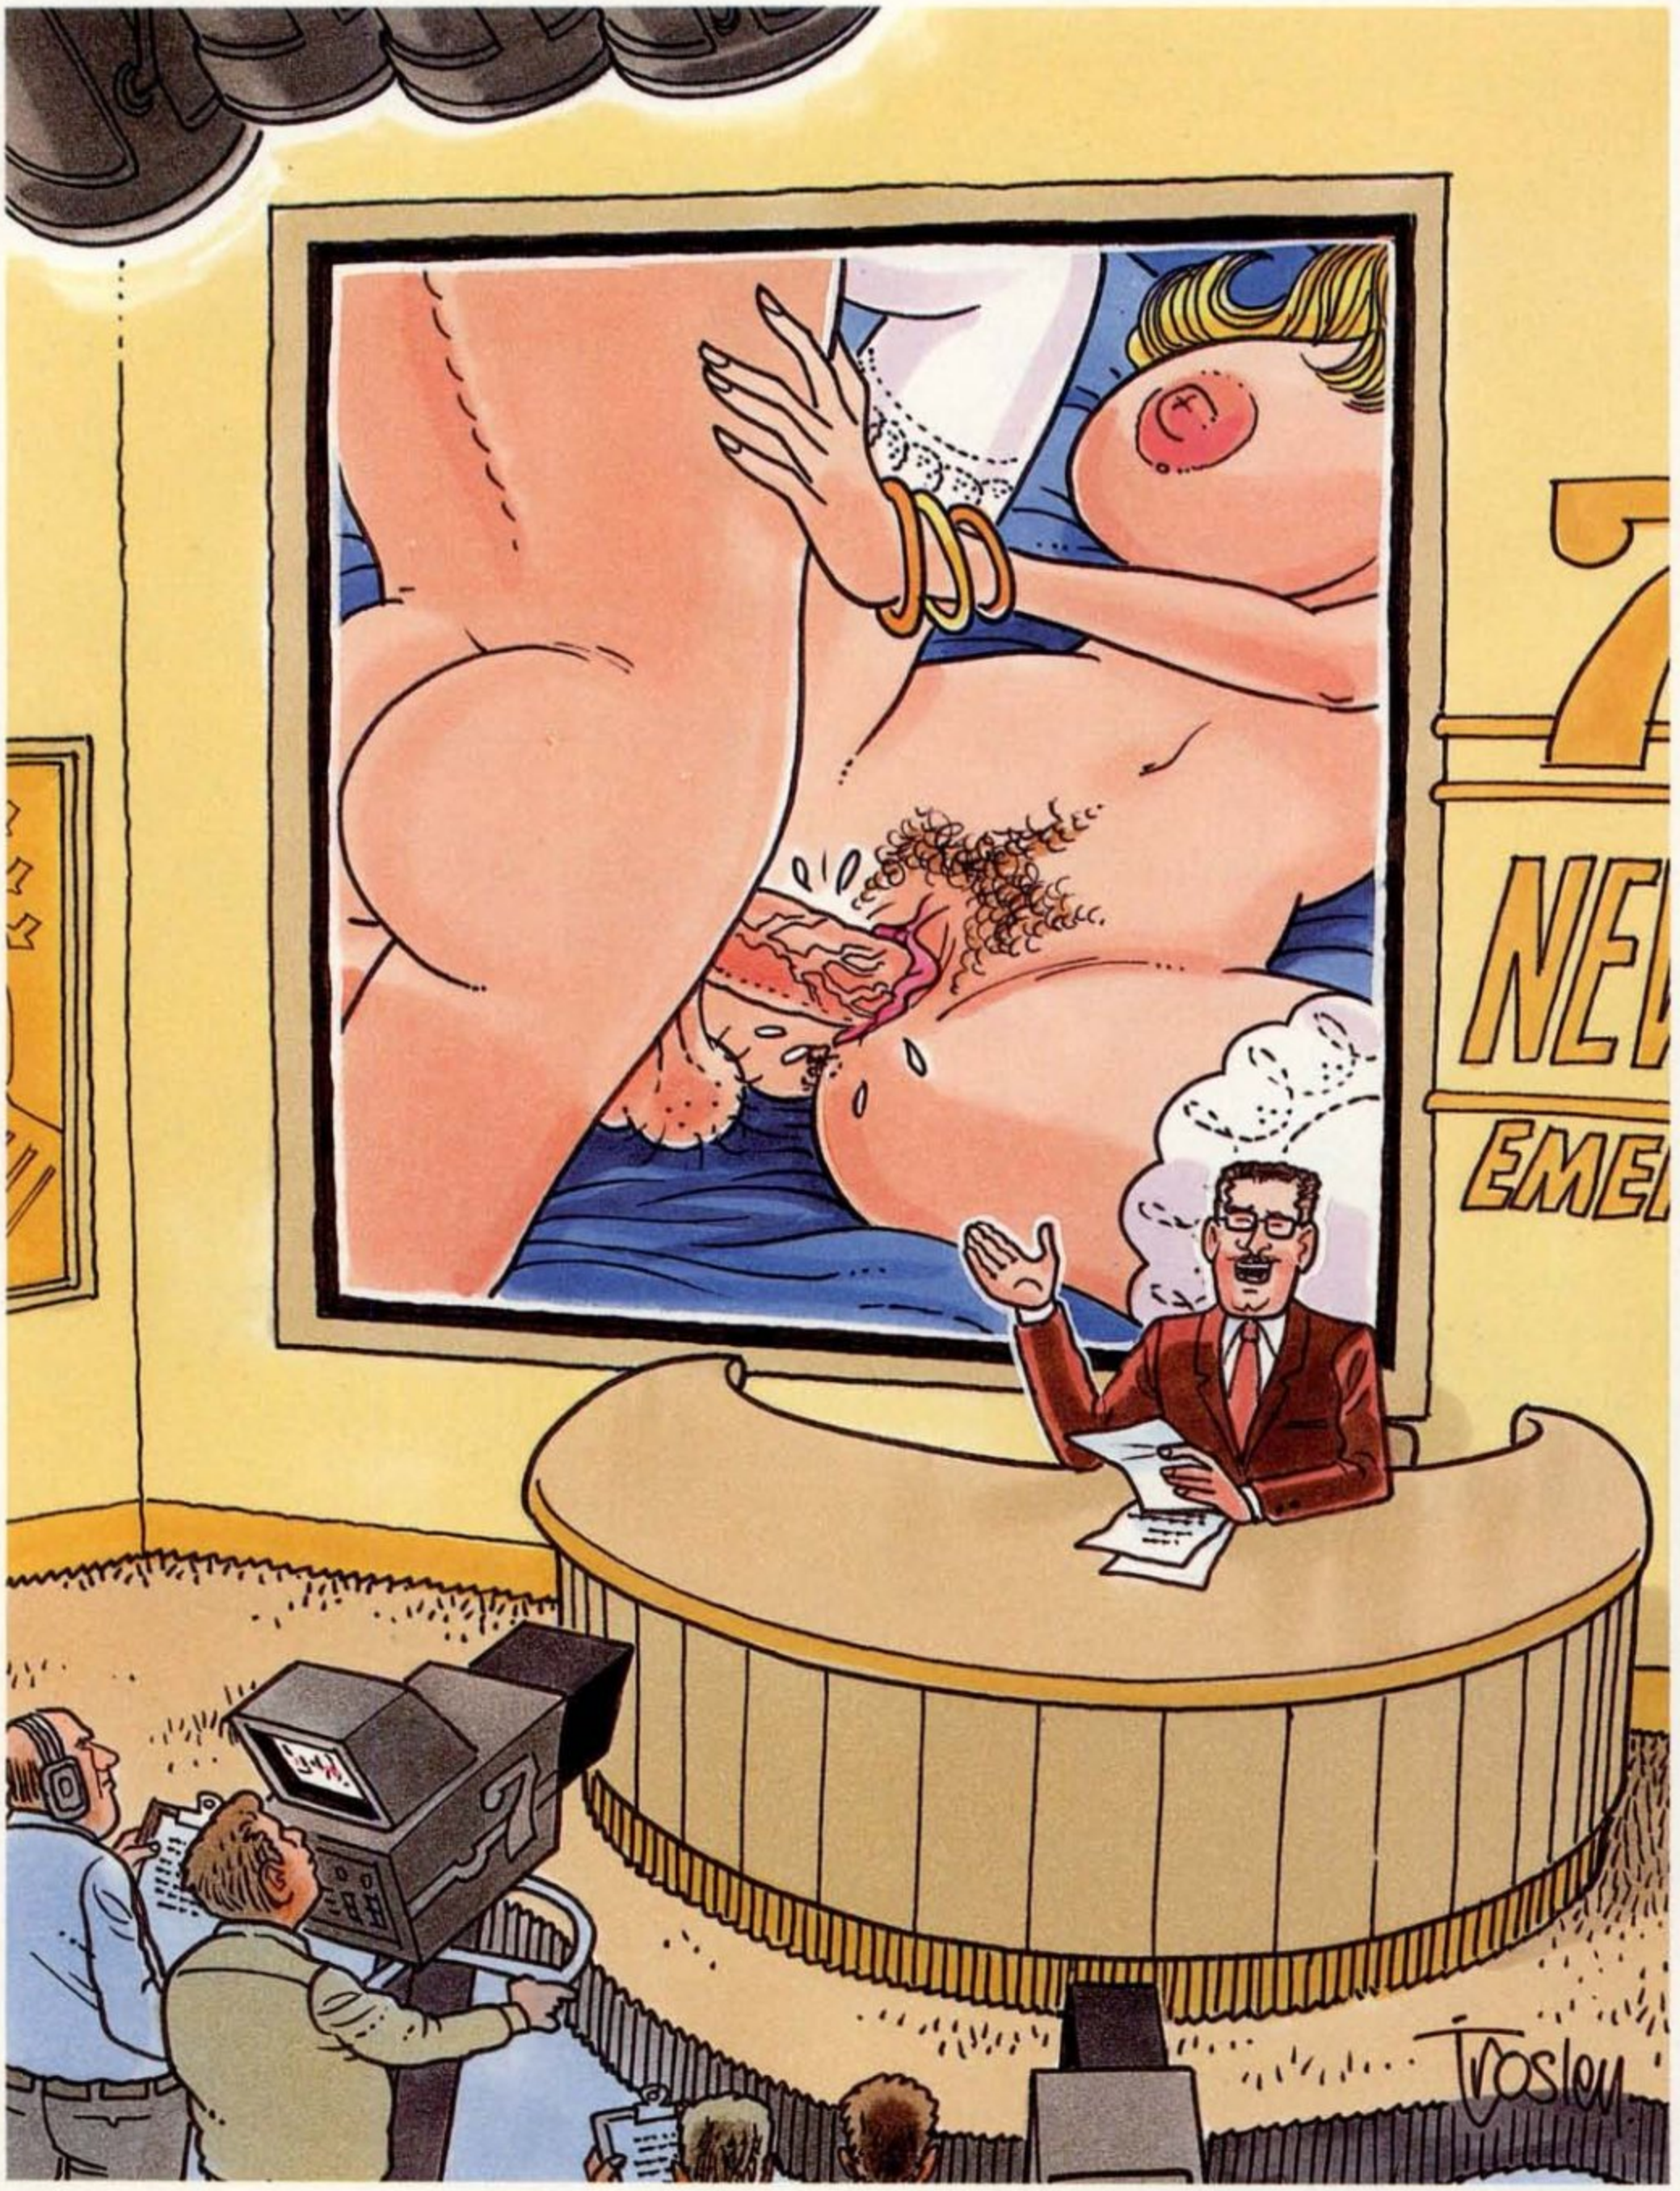
Not only can dating a flesh peddler be emotionally and financially draining, but physically dangerous as well. Along with being notoriously promiscuous, exotic dancers run a high risk of catching an STD while at work. According to Dr. Robert Vale, a general practitioner who's seen his share of venereal diseases in his walk-in clinic, if the lap-dance customer's pants are thin enough and semen is exposed to the vagina, there's a remote possibility that the girl could contract HIV. "Even if there is no ejaculation, with such close contact, the girls are certainly susceptible to lice, herpes and several more STDs," says Dr. Vale.

Some men do find happiness dating strippers. "I tell her nice things because I know she's needy, and in return I get my brains fucked out," boasts Jack Higgins, a 32-year-old computer repairman from Atlanta, Georgia. "I can even cheat on her, and she stays with me because she has no self-respect."

According to club owner Miller, Higgins is deluded if he thinks his stripper girlfriend doesn't also sleep around. "Every one of my girls has gone home with a customer, and most of them had a boyfriend at the time. If a peeler can justify blowing some slob for 200 bucks, she can justify lying to her boyfriend."

Miller believes he has the best advice on dating strippers. "Peelers are great in bed," Miller states. "I like them because they're ugly on the inside, and that ugly feeling permits them to date a fat, hairy guy like me. You've got to understand that these girls have been treated like a piece of shit their entire lives. If you are going to date one, you better bang her right and give her the abuse she is looking for. If you don't, she'll walk all over you."

"Senators, if left alone by the legal system, we would save social security by killing off future recipients."



"From now on, during an actual emergency, we'll just be showing pussy and dick for the duration."

Coming Next Month in HUSTLER

Rosy Blossoms

Gardens of ginch are ready to bloom in HUSTLER's fertile May issue. A perverted blonde with a penchant for plastic tests her own elasticity with a synthetic schlong. Palm trees provide shade but no escape from the heat when a nasty slut lets a bandanna-sporting mook drill her ass-pipe in the great wide open. There's no running from the long labes of the law for a lead-footed sweetie caught in the speed trap of a sultry policewoman brandishing a greased-up billy club. The dewy flowers of May's HUSTLER are guaranteed to grow stiff sprouts on grateful readers.

Garden-State Gomorrah

As residents of the nation's most densely populated state, New Jersey's citizens are surprisingly willing to pursue close contact. In recent times the area has become a haven for underground sex clubs that organize anything-goes orgies in dilapidated porn theaters and out-of-the-way motels. Wary of exposure and hassles from law enforcement, these mobile sex parties employ an intricate screening process to determine which swingers are worthy of entering the fold. Reporter Selwyn Harris earned the confidence of an exclusive ring of Garden State swingers who reveal their clandestine methods and carnality in a stealthy HUSTLER feature.

Groupies in Training

Scorned as the last refuge for failed musicians, tribute bands have nonetheless developed followings that even the original groups could envy. Ersatz Bon Jovis, Van Halens and Journeys also enjoy the most hallowed perk of rock 'n' roll royalty: groupies. Acts have discovered that meticulously copying Motley Crüe's style circa 1988 is enough to woo an impressionable female metalhead into a torrid delusional romp, complete with backstage blowjobs and wrecked hotel rooms. In a hilarious HUSTLER report, correspondents Kim Cooper and Lisa Sutton tour the tribute circuit and detail the bizarre phenomenon of pseudostar fuckers.

Pinko de Mayo

Break Lent with the help of *Bits & Pieces*'s Keister Egg hunt. Jeanna Fine offers sexual enlightenment in *Dear Slut*. *Erotic Entertainment* grades flesh on film and tells readers what's safe for consumption. Meet a local chapter of amateur nudists seeking sturdy maypoles in *Beaver Hunt*. HUSTLER goes all the way in May to give readers news, knowledge and pink.

May 2002 HUSTLER on sale March 5.
